

**00:00:00,080 --> 00:00:02,000 [Sascha Riley ]**

... I don't mind at all.

**00:00:02,060 --> 00:00:04,400 [Lisa Noelle Voldeng]**

Okay, so I'm recording right now. So,

**00:00:05,580 --> 00:00:07,680 [Lisa Noelle Voldeng]**

yeah, looks like, um... So there's

**00:00:07,780 --> 00:00:09,660 [Lisa Noelle Voldeng]**

obviously a lot of activity. I've seen

**00:00:09,680 --> 00:00:13,860 [Lisa Noelle Voldeng]**

there are some reports that, um, they're

**00:00:13,900 --> 00:00:14,960 [Lisa Noelle Voldeng]**

really trying to push-

**00:00:16,040 --> 00:00:17,700 [Lisa Noelle Voldeng]**

Lindsey Graham was, was

**00:00:18,880 --> 00:00:21,440 [Lisa Noelle Voldeng]**

asking for a special counselor to get

**00:00:21,500 --> 00:00:23,980 [Lisa Noelle Voldeng]**

appointed to investigate Obama for

**00:00:24,080 --> 00:00:27,450 [Lisa Noelle Voldeng]**

treason. So seems to me like, you know,

**00:00:27,480 --> 00:00:29,080 [Lisa Noelle Voldeng]**

what this was- what we were speaking about

**00:00:29,100 --> 00:00:29,720 [Lisa Noelle Voldeng]**

yesterday,

**00:00:30,840 --> 00:00:32,580 [Lisa Noelle Voldeng]**

you know, the, the very fundamental

**00:00:32,640 --> 00:00:34,540 [Lisa Noelle Voldeng]**

question is, what sort of crimes are the

**00:00:34,580 --> 00:00:36,880 [Lisa Noelle Voldeng]**

Republicans willing to attempt to commit

**00:00:37,460 --> 00:00:39,800 [Lisa Noelle Voldeng]**

to try to squash this story?

**00:00:41,540 --> 00:00:42,660 [Sascha Riley ]**

Well, it doesn't seem like there's

**00:00:42,720 --> 00:00:45,040 [Sascha Riley ]**

anything that's off the, off the table.

**00:00:45,140 --> 00:00:45,380 [Sascha Riley ]**

Um-

**00:00:45,400 --> 00:00:45,460 [Lisa Noelle Voldeng]**

Yeah

**00:00:46,580 --> 00:00:49,320 [Sascha Riley ]**

... i- you know, if, if, and this is just

**00:00:49,360 --> 00:00:51,040 [Sascha Riley ]**

speculation, you know, I've, I've read

**00:00:51,060 --> 00:00:53,260 [Sascha Riley ]**

things that suggest it, but I, I, I

**00:00:53,340 --> 00:00:56,900 [Sascha Riley ]**

wouldn't present it as fact. But if they

**00:00:56,940 --> 00:00:57,740 [Sascha Riley ]**

have already

**00:00:58,980 --> 00:01:01,180 [Sascha Riley ]**

used the system to silence

**00:01:01,860 --> 00:01:02,700 [Sascha Riley ]**

Epstein,

**00:01:03,380 --> 00:01:06,060 [Sascha Riley ]**

then you would have to make the logical

**00:01:06,500 --> 00:01:10,140 [Sascha Riley ]**

conclusion that there is no, there is

**00:01:10,240 --> 00:01:13,980 [Sascha Riley ]**

no barrier f- you know, f- for them other

**00:01:14,000 --> 00:01:15,860 [Sascha Riley ]**

than what they believe they may get away

**00:01:15,900 --> 00:01:19,560 [Sascha Riley ]**

with. That would, you know, that, that

**00:01:19,580 --> 00:01:21,940 [Sascha Riley ]**

would just be where I would, where I would

**00:01:22,000 --> 00:01:25,320 [Sascha Riley ]**

be from a, a logic standpoint, if, if I

**00:01:25,400 --> 00:01:26,840 [Sascha Riley ]**

were,

**00:01:28,040 --> 00:01:29,600 [Sascha Riley ]**

you know, if I were questioned on what I

**00:01:29,680 --> 00:01:30,500 [Sascha Riley ]**

thought. [clears throat]

**00:01:30,560 --> 00:01:33,520 [Lisa Noelle Voldeng]**

Yeah, I understand. So let's sort of run

**00:01:33,680 --> 00:01:36,680 [Lisa Noelle Voldeng]**

through a few things. So I spoke... I

**00:01:36,740 --> 00:01:39,200 [Lisa Noelle Voldeng]**

called the, the federal RCMP yesterday,

**00:01:39,220 --> 00:01:41,720 [Lisa Noelle Voldeng]**

and unfortunately, they just referred me

**00:01:41,760 --> 00:01:42,520 [Lisa Noelle Voldeng]**

back to a local

**00:01:43,440 --> 00:01:45,360 [Lisa Noelle Voldeng]**

poli- like, a lo- to the local police

**00:01:45,400 --> 00:01:47,680 [Lisa Noelle Voldeng]**

here, which they can only really do

**00:01:47,760 --> 00:01:49,420 [Lisa Noelle Voldeng]**

anything if this is tied to Vancouver

**00:01:49,560 --> 00:01:52,220 [Lisa Noelle Voldeng]**

Island. And the only way it could seem

**00:01:52,260 --> 00:01:53,920 [Lisa Noelle Voldeng]**

like it's tied to Vancouver Island, if

**00:01:54,000 --> 00:01:55,220 [Lisa Noelle Voldeng]**

there's like, you know, some sort of

**00:01:55,280 --> 00:01:57,320 [Lisa Noelle Voldeng]**

threat or something. That being said, I

**00:01:57,340 --> 00:01:59,200 [Lisa Noelle Voldeng]**

did have a long conversation with a police

**00:01:59,300 --> 00:02:01,660 [Lisa Noelle Voldeng]**

officer who had some interesting

**00:02:01,800 --> 00:02:04,140 [Lisa Noelle Voldeng]**

feedback, and,

**00:02:04,240 --> 00:02:09,780 [Lisa Noelle Voldeng]**

um, A, um, towards the end of the

**00:02:09,820 --> 00:02:11,180 [Lisa Noelle Voldeng]**

discussion, the, the officer

**00:02:11,260 --> 00:02:13,000 [Lisa Noelle Voldeng]**

said... Well, the officer mainly said

**00:02:13,040 --> 00:02:14,500 [Lisa Noelle Voldeng]**

what the officer needs is

**00:02:15,200 --> 00:02:17,320 [Lisa Noelle Voldeng]**

even to, to write up an investigation to

**00:02:17,360 --> 00:02:19,540 [Lisa Noelle Voldeng]**

get referred to their intel department and

**00:02:19,560 --> 00:02:22,700 [Lisa Noelle Voldeng]**

then to the right agency, they need some

**00:02:22,720 --> 00:02:23,620 [Lisa Noelle Voldeng]**

corroborative,

**00:02:24,440 --> 00:02:26,180 [Lisa Noelle Voldeng]**

not so much evidence in the films, but

**00:02:26,240 --> 00:02:28,400 [Lisa Noelle Voldeng]**

just reports like, you know, "Do you have

**00:02:28,440 --> 00:02:30,920 [Lisa Noelle Voldeng]**

a copy of your, your military, the years

**00:02:30,940 --> 00:02:32,660 [Lisa Noelle Voldeng]**

you were in the military? Do you have any

**00:02:32,760 --> 00:02:34,300 [Lisa Noelle Voldeng]**

copies of the CPS

**00:02:34,940 --> 00:02:37,200 [Lisa Noelle Voldeng]**

reports and stuff?" 'Cause they have some

**00:02:37,240 --> 00:02:40,020 [Lisa Noelle Voldeng]**

of those documents they can include then

**00:02:40,060 --> 00:02:43,100 [Lisa Noelle Voldeng]**

to write up, so then goes into their intel

**00:02:43,120 --> 00:02:46,160 [Lisa Noelle Voldeng]**

department and off to the right agency.

**00:02:46,220 --> 00:02:46,850 [Sascha Riley ]**

Okay.

**00:02:46,880 --> 00:02:49,700 [Lisa Noelle Voldeng]**

So that's what I sent you, um, an email

**00:02:49,800 --> 00:02:51,920 [Lisa Noelle Voldeng]**

of, but I... We can talk about that in a

**00:02:51,960 --> 00:02:53,460 [Lisa Noelle Voldeng]**

minute, 'cause I think there's some optics

**00:02:53,520 --> 00:02:54,640 [Lisa Noelle Voldeng]**

there. We wanna be careful how

**00:02:55,240 --> 00:02:57,440 [Lisa Noelle Voldeng]**

we're asking those questions, right? In

**00:02:57,480 --> 00:02:57,790 [Lisa Noelle Voldeng]**

terms of-

**00:02:57,790 --> 00:02:57,829 [Sascha Riley ]**

Okay

**00:02:57,829 --> 00:03:02,260 [Lisa Noelle Voldeng]**

... any flags. So but then the officer,

**00:03:02,300 --> 00:03:05,220 [Lisa Noelle Voldeng]**

the officer, A, the officer offered to

**00:03:05,420 --> 00:03:08,740 [Lisa Noelle Voldeng]**

store the audio securely, and

**00:03:08,860 --> 00:03:11,420 [Lisa Noelle Voldeng]**

B, the officer offered to listen to the

**00:03:11,480 --> 00:03:14,030 [Lisa Noelle Voldeng]**

audio while, you know, I said, "And what

**00:03:14,100 --> 00:03:17,049 [Lisa Noelle Voldeng]**

about we get some of these documents? What

**00:03:17,060 --> 00:03:18,560 [Lisa Noelle Voldeng]**

can the officer look at?" And the doc-

**00:03:18,640 --> 00:03:20,800 [Lisa Noelle Voldeng]**

officer said, then, you know, then the

**00:03:20,860 --> 00:03:22,820 [Lisa Noelle Voldeng]**

officer can write up a longer police

**00:03:22,900 --> 00:03:25,200 [Lisa Noelle Voldeng]**

report with something that sort of

**00:03:25,280 --> 00:03:29,260 [Lisa Noelle Voldeng]**

corroborates. Um, and by corroborate, I'm

**00:03:29,380 --> 00:03:30,920 [Lisa Noelle Voldeng]**

not talking about, like, the films or

**00:03:30,960 --> 00:03:33,500 [Lisa Noelle Voldeng]**

anything, just, like, some starting point

**00:03:33,540 --> 00:03:36,340 [Lisa Noelle Voldeng]**

in terms of an investigation to refer to

**00:03:36,380 --> 00:03:38,360 [Lisa Noelle Voldeng]**

their intel group and then to another

**00:03:38,420 --> 00:03:41,380 [Lisa Noelle Voldeng]**

agency, whether it's like, uh, you know,

**00:03:41,420 --> 00:03:43,520 [Lisa Noelle Voldeng]**

regarding national security or whatever,

**00:03:43,620 --> 00:03:45,040 [Lisa Noelle Voldeng]**

so.

**00:03:45,060 --> 00:03:46,190 [Sascha Riley ]**

[clears throat]

**00:03:46,220 --> 00:03:48,420 [Lisa Noelle Voldeng]**

So-

**00:03:49,080 --> 00:03:50,660 [Sascha Riley ]**

I have an idea.

**00:03:50,720 --> 00:03:51,720 [Lisa Noelle Voldeng]**

Yeah.

**00:03:52,380 --> 00:03:58,820 [Sascha Riley ]**

All right. So in 1989, I was, uh, housed

**00:03:58,860 --> 00:03:59,000 [Sascha Riley ]**

at

**00:03:59,060 --> 00:04:02,920 [Sascha Riley ]**

a, a behavioral hospital in Alabama. It's

**00:04:02,960 --> 00:04:05,500 [Sascha Riley ]**

called, uh, Charter Woods

**00:04:06,520 --> 00:04:08,880 [Sascha Riley ]**

Memorial Hospital or Mental Hospital, I'm

**00:04:08,940 --> 00:04:09,880 [Sascha Riley ]**

not sure.

**00:04:09,900 --> 00:04:10,480 [Lisa Noelle Voldeng]**

Mm-hmm.

**00:04:10,600 --> 00:04:11,180 [Sascha Riley ]**

Um,

**00:04:12,320 --> 00:04:14,360 [Sascha Riley ]**

uh, my parents had accused me of being on

**00:04:14,440 --> 00:04:18,200 [Sascha Riley ]**

drugs, so I wasn't. Not, not that I... Not

**00:04:18,240 --> 00:04:20,260 [Sascha Riley ]**

at that point in, in my life. I have

**00:04:20,320 --> 00:04:22,840 [Sascha Riley ]**

experimented with drugs since, but not-

**00:04:22,860 --> 00:04:23,140 [Lisa Noelle Voldeng]**

Mm-hmm

**00:04:23,400 --> 00:04:25,560 [Sascha Riley ]**

... as a child. Uh, not willingly as a

**00:04:25,600 --> 00:04:27,800 [Sascha Riley ]**

child. So anyway, that would have been the

**00:04:27,860 --> 00:04:29,620 [Sascha Riley ]**

first time that I talked about Donald

**00:04:29,660 --> 00:04:31,500 [Sascha Riley ]**

Trump specifically by name.

**00:04:32,440 --> 00:04:35,130 [Sascha Riley ]**

So I'm gonna go there as soon as I get my

**00:04:35,240 --> 00:04:37,460 [Sascha Riley ]**

bike back. It could be as early as

**00:04:37,480 --> 00:04:39,640 [Sascha Riley ]**

tomorrow, but I'll take a little road trip

**00:04:39,660 --> 00:04:41,420 [Sascha Riley ]**

and see if I can't get that paperwork.

**00:04:41,960 --> 00:04:44,469 [Sascha Riley ]**

The hospital itself has been closed down,

**00:04:44,500 --> 00:04:46,100 [Sascha Riley ]**

but as I understand it, all medical

**00:04:46,140 --> 00:04:48,010 [Sascha Riley ]**

records have to be stored in the, uh,

**00:04:48,480 --> 00:04:51,580 [Sascha Riley ]**

medical archives, and I forget which city

**00:04:51,660 --> 00:04:53,460 [Sascha Riley ]**

that's in, but it's... Alabama's not very

**00:04:53,500 --> 00:04:54,640 [Sascha Riley ]**

far from me, so

**00:04:55,360 --> 00:04:56,500 [Sascha Riley ]**

I'll take a trip down there

**00:04:57,920 --> 00:04:59,720 [Sascha Riley ]**

and see if I can retrieve those, because

**00:04:59,780 --> 00:05:00,060 [Sascha Riley ]**

that,

**00:05:00,800 --> 00:05:02,940 [Sascha Riley ]**

in my mind, is the best connection that I

**00:05:03,000 --> 00:05:03,520 [Sascha Riley ]**

have.

**00:05:03,530 --> 00:05:03,630 [Lisa Noelle Voldeng]**

Mm-hmm.

**00:05:03,630 --> 00:05:05,969 [Sascha Riley ]**

Because I mentioned him by name.

**00:05:05,969 --> 00:05:05,969 [Lisa Noelle Voldeng]**

Yeah.

**00:05:06,020 --> 00:05:08,440 [Sascha Riley ]**

That was the first time that I did that.

**00:05:08,480 --> 00:05:09,660 [Lisa Noelle Voldeng]**

Yeah. Okay.

**00:05:10,200 --> 00:05:10,300 [Sascha Riley ]**

So-

**00:05:10,310 --> 00:05:12,360 [Lisa Noelle Voldeng]**

So that's, that's great. Now, the... I

**00:05:12,440 --> 00:05:12,680 [Lisa Noelle Voldeng]**

think

**00:05:13,940 --> 00:05:15,880 [Lisa Noelle Voldeng]**

with the information, if you can't get

**00:05:15,920 --> 00:05:16,880 [Lisa Noelle Voldeng]**

from them, I know you can

**00:05:17,640 --> 00:05:21,340 [Lisa Noelle Voldeng]**

file a Freedom of Information Act request.

**00:05:21,360 --> 00:05:23,160 [Lisa Noelle Voldeng]**

My only concern was that we really look

**00:05:23,240 --> 00:05:25,080 [Lisa Noelle Voldeng]**

at if you suddenly start filing all these

**00:05:25,120 --> 00:05:27,900 [Lisa Noelle Voldeng]**

requests on police reports and CPS

**00:05:27,960 --> 00:05:28,500 [Lisa Noelle Voldeng]**

reports,

**00:05:29,120 --> 00:05:30,800 [Lisa Noelle Voldeng]**

would that flag anything? And I don't

**00:05:30,820 --> 00:05:33,700 [Lisa Noelle Voldeng]**

wanna talk to any journalists that I

**00:05:33,740 --> 00:05:36,900 [Lisa Noelle Voldeng]**

don't... To get them to flag. I was hoping

**00:05:36,960 --> 00:05:38,560 [Lisa Noelle Voldeng]**

police requests, and I'm even looking

**00:05:38,600 --> 00:05:40,340 [Lisa Noelle Voldeng]**

carefully at, you know, how could I look

**00:05:40,400 --> 00:05:43,120 [Lisa Noelle Voldeng]**

at requesting, or can I do so somehow

**00:05:43,180 --> 00:05:45,300 [Lisa Noelle Voldeng]**

anonymously? So that's what I'm trying to-

**00:05:45,310 --> 00:05:45,420 [Sascha Riley ]**

Yeah

**00:05:45,440 --> 00:05:47,880 [Lisa Noelle Voldeng]**

... sort of sort a bit there. What the,

**00:05:47,900 --> 00:05:49,520 [Lisa Noelle Voldeng]**

what else... Now, that's, that would be

**00:05:49,680 --> 00:05:51,960 [Lisa Noelle Voldeng]**

extremely helpful information, obviously,

**00:05:52,060 --> 00:05:54,500 [Lisa Noelle Voldeng]**

those files. The other one that you can

**00:05:54,540 --> 00:05:56,420 [Lisa Noelle Voldeng]**

request that would help would be

**00:05:57,120 --> 00:05:58,600 [Lisa Noelle Voldeng]**

anything from your interview at Fort

**00:05:58,660 --> 00:06:00,960 [Lisa Noelle Voldeng]**

Carson.

**00:06:01,020 --> 00:06:02,160 [Sascha Riley ]**

Okay.

**00:06:02,200 --> 00:06:04,300 [Lisa Noelle Voldeng]**

Are you comfortable to-

**00:06:04,560 --> 00:06:06,560 [Sascha Riley ]**

Well, [clears throat] my biggest thing

**00:06:06,660 --> 00:06:10,488 [Sascha Riley ]**

there would just be.... I would just, you

**00:06:10,527 --> 00:06:12,438 [Sascha Riley ]**

know, the, the military isn't like, um,

**00:06:13,268 --> 00:06:15,527 [Sascha Riley ]**

if, if I were to contact Fort Carson now,

**00:06:15,548 --> 00:06:16,018 [Sascha Riley ]**

they would have

**00:06:16,707 --> 00:06:18,147 [Sascha Riley ]**

no idea what I'm talking about. I would

**00:06:18,167 --> 00:06:19,948 [Sascha Riley ]**

have to track down those people-

**00:06:20,068 --> 00:06:20,407 [Lisa Noelle Voldeng]**

Yeah

**00:06:20,467 --> 00:06:22,268 [Sascha Riley ]**

-that were involved in that investigation,

**00:06:22,308 --> 00:06:24,008 [Sascha Riley ]**

and that is possible. I am still in

**00:06:24,068 --> 00:06:26,428 [Sascha Riley ]**

contact with some of the people that I

**00:06:26,488 --> 00:06:29,368 [Sascha Riley ]**

served with from that time, so I would

**00:06:29,428 --> 00:06:31,087 [Sascha Riley ]**

just need to reach out to some people and

**00:06:31,168 --> 00:06:34,268 [Sascha Riley ]**

see if that, if that's a possibility.

**00:06:34,347 --> 00:06:36,508 [Lisa Noelle Voldeng]**

Yeah, that seems like that,

**00:06:36,628 --> 00:06:38,397 [Lisa Noelle Voldeng]**

um...

**00:06:39,847 --> 00:06:42,347 [Lisa Noelle Voldeng]**

So don't contact Fort Car- if, like, if

**00:06:42,407 --> 00:06:44,597 [Lisa Noelle Voldeng]**

you- what I was hoping is we could get,

**00:06:44,628 --> 00:06:48,407 [Lisa Noelle Voldeng]**

like, a copy of your interview from Fort

**00:06:48,448 --> 00:06:50,607 [Lisa Noelle Voldeng]**

Carson, but I understand with US military

**00:06:50,618 --> 00:06:52,587 [Lisa Noelle Voldeng]**

all sort of classifications, that might be

**00:06:52,647 --> 00:06:53,948 [Lisa Noelle Voldeng]**

difficult.

**00:06:54,008 --> 00:06:55,668 [Sascha Riley ]**

It might be, yes.

**00:06:55,688 --> 00:06:57,678 [Lisa Noelle Voldeng]**

And, but they would have records of the

**00:06:57,768 --> 00:07:00,027 [Lisa Noelle Voldeng]**

films. That's the thing.

**00:07:00,048 --> 00:07:02,488 [Sascha Riley ]**

They would, yeah, they would have, I would

**00:07:02,668 --> 00:07:02,768 [Sascha Riley ]**

think-

**00:07:02,787 --> 00:07:04,847 [Lisa Noelle Voldeng]**

They, they'd have copies somewhere.

**00:07:04,967 --> 00:07:06,727 [Sascha Riley ]**

Uh, that, uh, they

**00:07:08,087 --> 00:07:09,188 [Sascha Riley ]**

possibly would.

**00:07:09,527 --> 00:07:11,948 [Lisa Noelle Voldeng]**

Unless they destroyed them.

**00:07:12,027 --> 00:07:14,368 [Sascha Riley ]**

Yeah, I, I don't know what the, the, the

**00:07:14,486 --> 00:07:16,727 [Sascha Riley ]**

rules of evidence are in something like

**00:07:16,788 --> 00:07:18,407 [Sascha Riley ]**

that. Um,

**00:07:20,368 --> 00:07:23,068 [Sascha Riley ]**

very possibly, they, they could.

**00:07:23,928 --> 00:07:25,928 [Lisa Noelle Voldeng]**

I mean, seems like what we could start

**00:07:26,068 --> 00:07:27,147 [Lisa Noelle Voldeng]**

with is with,

**00:07:28,087 --> 00:07:30,227 [Lisa Noelle Voldeng]**

was it Bayliss and the other fellow

**00:07:30,868 --> 00:07:31,428 [Lisa Noelle Voldeng]**

that, that-

**00:07:31,527 --> 00:07:31,987 [Sascha Riley ]**

Right.

**00:07:31,998 --> 00:07:33,788 [Lisa Noelle Voldeng]**

-if you could try to contact them

**00:07:34,707 --> 00:07:35,768 [Lisa Noelle Voldeng]**

and ask them,

**00:07:37,407 --> 00:07:40,578 [Lisa Noelle Voldeng]**

you know, if they would be willing to...

**00:07:40,628 --> 00:07:41,527 [Sascha Riley ]**

To talk about it?

**00:07:41,587 --> 00:07:44,147 [Lisa Noelle Voldeng]**

Yeah. And just say it's extremely

**00:07:44,188 --> 00:07:47,918 [Lisa Noelle Voldeng]**

confidential, isn't with any- that it's,

**00:07:47,967 --> 00:07:49,897 [Lisa Noelle Voldeng]**

that it would be confidential and, and

**00:07:50,967 --> 00:07:53,168 [Lisa Noelle Voldeng]**

so on. Like, that it's just like a

**00:07:53,268 --> 00:07:55,107 [Lisa Noelle Voldeng]**

starting point there.

**00:07:55,248 --> 00:07:55,568 [Sascha Riley ]**

Right.

**00:07:56,268 --> 00:07:58,487 [Sascha Riley ]**

Well, I will reach out in that direction

**00:07:58,527 --> 00:08:00,308 [Sascha Riley ]**

and see what I can, what I can,

**00:08:01,607 --> 00:08:03,508 [Sascha Riley ]**

what I can reach. And as soon as I get my

**00:08:03,548 --> 00:08:06,888 [Sascha Riley ]**

bike back, I will, uh, take a little trip.

**00:08:06,907 --> 00:08:08,207 [Sascha Riley ]**

I've been kind of wanting to go for a

**00:08:08,268 --> 00:08:09,388 [Sascha Riley ]**

ride anyway, so-

**00:08:09,467 --> 00:08:09,777 [Lisa Noelle Voldeng]**

Yeah.

**00:08:09,788 --> 00:08:09,897 [Sascha Riley ]**

I'll just-

**00:08:09,897 --> 00:08:12,107 [Lisa Noelle Voldeng]**

Well, let me ask you a question. Like, do

**00:08:12,147 --> 00:08:14,527 [Lisa Noelle Voldeng]**

you think, is there any way that they

**00:08:14,587 --> 00:08:17,157 [Lisa Noelle Voldeng]**

could be, like, if you even reaching out

**00:08:17,207 --> 00:08:18,638 [Lisa Noelle Voldeng]**

to them might trigger anything

**00:08:19,607 --> 00:08:20,707 [Lisa Noelle Voldeng]**

in terms of-

**00:08:20,788 --> 00:08:24,347 [Sascha Riley ]**

Okay. [clears throat] Um, not from their

**00:08:24,428 --> 00:08:26,347 [Sascha Riley ]**

end. Um, if, if,

**00:08:27,748 --> 00:08:32,207 [Sascha Riley ]**

like, uh, if I'm being monitored, you

**00:08:32,248 --> 00:08:34,347 [Sascha Riley ]**

know, if I'm being passively, you

**00:08:34,408 --> 00:08:34,788 [Sascha Riley ]**

know,

**00:08:36,087 --> 00:08:40,028 [Sascha Riley ]**

surveilled in some way, then maybe, but I

**00:08:40,048 --> 00:08:41,847 [Sascha Riley ]**

don't know. There's so much going on that

**00:08:41,967 --> 00:08:42,278 [Sascha Riley ]**

I, I,

**00:08:42,987 --> 00:08:44,048 [Sascha Riley ]**

I would not think

**00:08:45,468 --> 00:08:45,887 [Sascha Riley ]**

that

**00:08:48,208 --> 00:08:50,768 [Sascha Riley ]**

too many resources would be dedicated to

**00:08:50,828 --> 00:08:53,608 [Sascha Riley ]**

me, you know? Kind of just the,

**00:08:54,348 --> 00:08:55,838 [Sascha Riley ]**

the, with everything that's going on, I,

**00:08:55,908 --> 00:08:57,887 [Sascha Riley ]**

I, I doubt, I doubt it would raise any

**00:08:57,948 --> 00:08:59,448 [Sascha Riley ]**

flags.

**00:08:59,508 --> 00:09:00,688 [Lisa Noelle Voldeng]**

Mm-hmm.

**00:09:00,788 --> 00:09:03,248 [Sascha Riley ]**

Not unless... I, I could see potentially

**00:09:03,288 --> 00:09:05,468 [Sascha Riley ]**

if I started going and trying to get my

**00:09:05,528 --> 00:09:09,048 [Sascha Riley ]**

CPS reports and, and, uh, you know,

**00:09:09,108 --> 00:09:09,728 [Sascha Riley ]**

contacting

**00:09:10,367 --> 00:09:12,428 [Sascha Riley ]**

Texas, Tennessee, Alabama, and Florida,

**00:09:12,448 --> 00:09:14,248 [Sascha Riley ]**

trying to get the police reports from my

**00:09:14,348 --> 00:09:16,717 [Sascha Riley ]**

childhood, I could see maybe that raising

**00:09:16,768 --> 00:09:17,828 [Sascha Riley ]**

a red flag.

**00:09:17,867 --> 00:09:18,088 [Lisa Noelle Voldeng]**

Yeah.

**00:09:18,127 --> 00:09:19,887 [Sascha Riley ]**

But as far as just me reaching out to my

**00:09:19,928 --> 00:09:21,887 [Sascha Riley ]**

old army buddies, I, I don't, I don't

**00:09:21,988 --> 00:09:23,468 [Sascha Riley ]**

think so. I think I could probably

**00:09:23,548 --> 00:09:25,048 [Sascha Riley ]**

communicate with them, see what they

**00:09:25,108 --> 00:09:27,048 [Sascha Riley ]**

remember. Um-

**00:09:28,588 --> 00:09:31,168 [Lisa Noelle Voldeng]**

So my suggestion is that before you reach

**00:09:31,248 --> 00:09:34,088 [Lisa Noelle Voldeng]**

out to the, your old army buddies, that

**00:09:34,168 --> 00:09:37,528 [Lisa Noelle Voldeng]**

you, um, get those, the paperwork from the

**00:09:37,548 --> 00:09:39,448 [Lisa Noelle Voldeng]**

hospital first, 'cause that's a very

**00:09:39,488 --> 00:09:42,108 [Lisa Noelle Voldeng]**

important starting point, just in case you

**00:09:42,208 --> 00:09:43,647 [Lisa Noelle Voldeng]**

reaching out to your buddies would in any

**00:09:43,688 --> 00:09:45,928 [Lisa Noelle Voldeng]**

way trigger anything.

**00:09:45,948 --> 00:09:45,958 [Sascha Riley ]**

Okay.

**00:09:45,988 --> 00:09:48,408 [Lisa Noelle Voldeng]**

And you can travel there safely to and

**00:09:48,468 --> 00:09:50,647 [Lisa Noelle Voldeng]**

from, and so on.

**00:09:50,688 --> 00:09:51,028 [Sascha Riley ]**

Okay.

**00:09:51,038 --> 00:09:53,508 [Lisa Noelle Voldeng]**

Okay. Well, okay, so yeah, let's get the

**00:09:53,568 --> 00:09:55,887 [Lisa Noelle Voldeng]**

paperwork from the hospital, and then we

**00:09:56,048 --> 00:09:57,528 [Lisa Noelle Voldeng]**

can look at reaching out to the army

**00:09:57,548 --> 00:10:00,528 [Lisa Noelle Voldeng]**

buddies afterwards. Um,

**00:10:01,408 --> 00:10:03,588 [Lisa Noelle Voldeng]**

and then whatever of those copies, we'll

**00:10:03,647 --> 00:10:06,228 [Lisa Noelle Voldeng]**

just figure out how... You can just

**00:10:06,288 --> 00:10:09,328 [Lisa Noelle Voldeng]**

photograph them and, and, and I think-

**00:10:09,348 --> 00:10:09,358 [Sascha Riley ]**

Okay

**00:10:09,358 --> 00:10:11,028 [Lisa Noelle Voldeng]**

... um, with Proton Mail, there's

**00:10:11,038 --> 00:10:12,848 [Lisa Noelle Voldeng]**

something called Proton Drive, and

**00:10:12,887 --> 00:10:14,387 [Lisa Noelle Voldeng]**

there's, like, a certain amount of

**00:10:14,428 --> 00:10:16,758 [Lisa Noelle Voldeng]**

gigabytes of storage. In fact, I just

**00:10:16,788 --> 00:10:19,068 [Lisa Noelle Voldeng]**

uploaded one of the audio recordings in

**00:10:19,108 --> 00:10:22,448 [Lisa Noelle Voldeng]**

Proton Drive, 'cause I'm looking at how is

**00:10:22,508 --> 00:10:24,127 [Lisa Noelle Voldeng]**

most effective to get to the police

**00:10:24,228 --> 00:10:25,717 [Lisa Noelle Voldeng]**

officer once I go through-

**00:10:25,717 --> 00:10:25,717 [Sascha Riley ]**

Right

**00:10:25,717 --> 00:10:28,097 [Lisa Noelle Voldeng]**

-those other audio recordings.

**00:10:28,097 --> 00:10:28,748 [Sascha Riley ]**

Okay.

**00:10:28,787 --> 00:10:30,808 [Lisa Noelle Voldeng]**

And then, and then on a positive, like,

**00:10:30,847 --> 00:10:33,588 [Lisa Noelle Voldeng]**

the, the audio, how great the audio

**00:10:33,627 --> 00:10:35,008 [Lisa Noelle Voldeng]**

recordings will be stored on a

**00:10:35,828 --> 00:10:37,728 [Lisa Noelle Voldeng]**

Victoria Police Department's secure

**00:10:37,828 --> 00:10:39,238 [Lisa Noelle Voldeng]**

server, the-

**00:10:39,328 --> 00:10:39,528 [Sascha Riley ]**

Right

**00:10:39,598 --> 00:10:41,367 [Lisa Noelle Voldeng]**

... so that, that's something that's

**00:10:41,407 --> 00:10:43,748 [Lisa Noelle Voldeng]**

important. I feel much better about that,

**00:10:43,848 --> 00:10:46,887 [Lisa Noelle Voldeng]**

actually, as a starting point, so.

**00:10:46,948 --> 00:10:48,147 [Sascha Riley ]**

Okay.

**00:10:48,167 --> 00:10:52,688 [Lisa Noelle Voldeng]**

And then, um, I think- [coughs] now, one

**00:10:52,728 --> 00:10:56,038 [Lisa Noelle Voldeng]**

of the, what the police officer said...

**00:10:56,068 --> 00:10:57,978 [Lisa Noelle Voldeng]**

Well, let's talk about some of those in

**00:10:58,028 --> 00:11:00,068 [Lisa Noelle Voldeng]**

terms of, like, the investigation, this is

**00:11:00,127 --> 00:11:01,708 [Lisa Noelle Voldeng]**

sort of, you know, from their

**00:11:01,748 --> 00:11:03,088 [Lisa Noelle Voldeng]**

perspective, they look and they say,

**00:11:03,098 --> 00:11:05,367 [Lisa Noelle Voldeng]**

"Okay, how do they know you're telling the

**00:11:05,407 --> 00:11:06,828 [Lisa Noelle Voldeng]**

truth?" And I said, "Well, when you hear

**00:11:06,867 --> 00:11:08,768 [Lisa Noelle Voldeng]**

the audio recordings, you'll, you'll

**00:11:09,387 --> 00:11:12,167 [Lisa Noelle Voldeng]**

hopefully you can discern." [chuckles]

**00:11:12,248 --> 00:11:12,548 [Sascha Riley ]**

Right.

**00:11:12,568 --> 00:11:13,407 [Lisa Noelle Voldeng]**

You know, some folk,

**00:11:14,228 --> 00:11:15,828 [Lisa Noelle Voldeng]**

some folks are different, you know, like

**00:11:15,867 --> 00:11:17,867 [Lisa Noelle Voldeng]**

the... Now, the police d- officers, you

**00:11:17,928 --> 00:11:21,288 [Lisa Noelle Voldeng]**

know, got lots of experience and, you

**00:11:21,328 --> 00:11:22,688 [Lisa Noelle Voldeng]**

know,

**00:11:23,768 --> 00:11:25,367 [Lisa Noelle Voldeng]**

I know the police officer's

**00:11:26,068 --> 00:11:27,848 [Lisa Noelle Voldeng]**

approach to hearing the audio files would

**00:11:27,867 --> 00:11:30,958 [Lisa Noelle Voldeng]**

be quite different than, than sometimes

**00:11:30,988 --> 00:11:32,288 [Lisa Noelle Voldeng]**

how they might look. So they're asking,

**00:11:32,298 --> 00:11:34,548 [Lisa Noelle Voldeng]**

"Well, how did you, where did I meet you?"

**00:11:34,608 --> 00:11:35,988 [Lisa Noelle Voldeng]**

You know, those sort of questions. And I

**00:11:36,008 --> 00:11:38,268 [Lisa Noelle Voldeng]**

said, "Well, I offered to help." You know,

**00:11:38,328 --> 00:11:38,818 [Lisa Noelle Voldeng]**

I tried to-

**00:11:38,818 --> 00:11:38,818 [Sascha Riley ]**

Right

**00:11:38,818 --> 00:11:41,548 [Lisa Noelle Voldeng]**

... provide the right context. So in terms

**00:11:41,667 --> 00:11:42,518 [Lisa Noelle Voldeng]**

of, um,

**00:11:43,288 --> 00:11:44,808 [Lisa Noelle Voldeng]**

you know, I know what sort of questions

**00:11:44,907 --> 00:11:47,288 [Lisa Noelle Voldeng]**

folks will ask, and so some of the folks,

**00:11:47,387 --> 00:11:47,708 [Lisa Noelle Voldeng]**

like,

**00:11:48,548 --> 00:11:51,228 [Lisa Noelle Voldeng]**

something that in terms of documentation

**00:11:51,268 --> 00:11:52,928 [Lisa Noelle Voldeng]**

that helps in terms of with the police is

**00:11:52,968 --> 00:11:54,048 [Lisa Noelle Voldeng]**

that, you know,

**00:11:54,728 --> 00:11:56,248 [Lisa Noelle Voldeng]**

that, yeah, you were, you were at the

**00:11:56,348 --> 00:11:58,548 [Lisa Noelle Voldeng]**

army. Do you have like a, a document that

**00:11:58,608 --> 00:12:00,068 [Lisa Noelle Voldeng]**

says what years you're in service that you

**00:12:00,088 --> 00:12:01,508 [Lisa Noelle Voldeng]**

can send me, that we can start-

**00:12:01,568 --> 00:12:01,738 [Sascha Riley ]**

Oh, yeah

**00:12:01,738 --> 00:12:03,048 [Lisa Noelle Voldeng]**

... compiling this?

**00:12:03,068 --> 00:12:04,028 [Sascha Riley ]**

Oh, yeah.

**00:12:04,068 --> 00:12:04,178 [Lisa Noelle Voldeng]**

Yeah.

**00:12:04,208 --> 00:12:07,348 [Sascha Riley ]**

I got a DD-214 that, that, uh, that gives

**00:12:07,387 --> 00:12:09,498 [Sascha Riley ]**

you my years of service. The, yeah, I can

**00:12:09,528 --> 00:12:11,548 [Sascha Riley ]**

corroborate that, like, in the next few

**00:12:11,588 --> 00:12:13,137 [Sascha Riley ]**

minutes, as soon as I get off the phone.

**00:12:13,208 --> 00:12:14,758 [Lisa Noelle Voldeng]**

Oh, sure. That's perfect, 'cause then I

**00:12:14,768 --> 00:12:17,544 [Lisa Noelle Voldeng]**

can send... um, when I send a link to the

**00:12:17,624 --> 00:12:21,584 [Lisa Noelle Voldeng]**

audio files, I can send an email, um,

**00:12:23,024 --> 00:12:25,103 [Lisa Noelle Voldeng]**

with the document, anything that we have

**00:12:25,644 --> 00:12:27,723 [Lisa Noelle Voldeng]**

that would help to provide context right

**00:12:27,784 --> 00:12:29,794 [Lisa Noelle Voldeng]**

now, even before she's listening to the

**00:12:29,843 --> 00:12:31,204 [Lisa Noelle Voldeng]**

audio files.

**00:12:31,264 --> 00:12:34,164 [Sascha Riley ]**

Yeah, yeah, I can, I can upload my DD-214,

**00:12:34,204 --> 00:12:36,142 [Sascha Riley ]**

my most current one, and it'll have both

**00:12:36,384 --> 00:12:38,044 [Sascha Riley ]**

periods of service. It'll have all my

**00:12:38,164 --> 00:12:40,644 [Sascha Riley ]**

schools, all my awards. It'll have

**00:12:40,684 --> 00:12:41,624 [Sascha Riley ]**

everything. So

**00:12:42,264 --> 00:12:43,784 [Sascha Riley ]**

it's, it's a, uh, I don't know how

**00:12:43,863 --> 00:12:46,534 [Sascha Riley ]**

familiar you are with, uh, uh, the

**00:12:46,564 --> 00:12:49,124 [Sascha Riley ]**

military, but whenever you, uh, ETS,

**00:12:49,144 --> 00:12:51,944 [Sascha Riley ]**

whenever, whenever your, uh, term is up,

**00:12:51,964 --> 00:12:53,544 [Sascha Riley ]**

they give you that document, and it's

**00:12:53,624 --> 00:12:56,644 [Sascha Riley ]**

basically your entire career encapsulated

**00:12:56,714 --> 00:12:59,124 [Sascha Riley ]**

into... mine's two pages long.

**00:12:59,184 --> 00:12:59,363 [Lisa Noelle Voldeng]**

Yeah.

**00:12:59,404 --> 00:13:02,124 [Sascha Riley ]**

So, [coughs] yeah, I c- I have no problem

**00:13:02,144 --> 00:13:03,444 [Sascha Riley ]**

sending that to you. Um-

**00:13:04,284 --> 00:13:06,103 [Lisa Noelle Voldeng]**

And she has relatives-

**00:13:06,124 --> 00:13:06,144 [Sascha Riley ]**

Want it narrowed?

**00:13:06,164 --> 00:13:08,184 [Lisa Noelle Voldeng]**

She just to context, I was gonna say she

**00:13:08,223 --> 00:13:11,144 [Lisa Noelle Voldeng]**

has relatives in the military, so she has

**00:13:11,184 --> 00:13:13,464 [Lisa Noelle Voldeng]**

some context in terms of military family,

**00:13:14,144 --> 00:13:14,424 [Lisa Noelle Voldeng]**

so.

**00:13:14,464 --> 00:13:15,264 [Sascha Riley ]**

Okay.

**00:13:15,272 --> 00:13:15,294 [Lisa Noelle Voldeng]**

That's-

**00:13:15,324 --> 00:13:17,363 [Sascha Riley ]**

Um, the only thing I might redact off of

**00:13:17,384 --> 00:13:19,314 [Sascha Riley ]**

that is my Social Security number, and I

**00:13:19,343 --> 00:13:21,353 [Sascha Riley ]**

would only do that by putting, uh, like, a

**00:13:21,384 --> 00:13:22,664 [Sascha Riley ]**

little piece of paper or something where

**00:13:22,704 --> 00:13:24,214 [Sascha Riley ]**

the Social Security number is.

**00:13:24,264 --> 00:13:24,593 [Lisa Noelle Voldeng]**

Sure.

**00:13:24,684 --> 00:13:25,384 [Sascha Riley ]**

Um,

**00:13:26,384 --> 00:13:28,103 [Sascha Riley ]**

just in case it gets passed around, I

**00:13:28,144 --> 00:13:30,114 [Sascha Riley ]**

just, you know, don't want my Social

**00:13:30,124 --> 00:13:34,024 [Sascha Riley ]**

Security number, uh, to have access, and I

**00:13:34,064 --> 00:13:35,324 [Sascha Riley ]**

won't even redact the whole thing. I'll

**00:13:35,364 --> 00:13:36,603 [Sascha Riley ]**

leave my last four or something on there,

**00:13:36,624 --> 00:13:36,634 [Sascha Riley ]**

so.

**00:13:36,704 --> 00:13:38,264 [Lisa Noelle Voldeng]**

Yeah, that would be perfect, 'cause I

**00:13:38,284 --> 00:13:40,664 [Lisa Noelle Voldeng]**

think that's pretty standard in Canada on

**00:13:40,704 --> 00:13:43,584 [Lisa Noelle Voldeng]**

documents, just the last couple of digits.

**00:13:43,644 --> 00:13:45,743 [Sascha Riley ]**

Okay. I'll, I'll do that as soon as we get

**00:13:45,784 --> 00:13:47,524 [Sascha Riley ]**

off the phone. I, I know right where

**00:13:47,544 --> 00:13:48,983 [Sascha Riley ]**

that's at. [chuckles] That's in my go bag.

**00:13:49,124 --> 00:13:51,743 [Lisa Noelle Voldeng]**

Awesome. Now, then, another thing to ask

**00:13:51,784 --> 00:13:53,784 [Lisa Noelle Voldeng]**

in terms of with the military, when you

**00:13:53,804 --> 00:13:56,464 [Lisa Noelle Voldeng]**

were questioned, did you... Did they give

**00:13:56,503 --> 00:13:57,983 [Lisa Noelle Voldeng]**

you any documentation when you were

**00:13:58,044 --> 00:13:58,503 [Lisa Noelle Voldeng]**

questioned-

**00:13:58,564 --> 00:13:58,574 [Sascha Riley ]**

No

**00:13:58,574 --> 00:14:00,164 [Lisa Noelle Voldeng]**

... about the films? Do you have any

**00:14:00,284 --> 00:14:00,624 [Lisa Noelle Voldeng]**

notes-

**00:14:00,644 --> 00:14:00,654 [Sascha Riley ]**

No

**00:14:00,654 --> 00:14:02,824 [Lisa Noelle Voldeng]**

... from those years or anything?

**00:14:03,024 --> 00:14:04,164 [Sascha Riley ]**

No, nothing like that.

**00:14:04,243 --> 00:14:04,764 [Lisa Noelle Voldeng]**

Okay.

**00:14:04,864 --> 00:14:06,243 [Sascha Riley ]**

I can just remember getting pulled into

**00:14:06,284 --> 00:14:09,483 [Sascha Riley ]**

the office, and, and really, the only

**00:14:09,584 --> 00:14:11,904 [Sascha Riley ]**

question was, "You know, these, these

**00:14:11,983 --> 00:14:14,774 [Sascha Riley ]**

movies are obviously older. How old were

**00:14:14,804 --> 00:14:17,054 [Sascha Riley ]**

you when, when you did them? I-i, is that

**00:14:17,103 --> 00:14:18,704 [Sascha Riley ]**

you, and how old were you when you did

**00:14:18,723 --> 00:14:19,174 [Sascha Riley ]**

them?"

**00:14:19,204 --> 00:14:19,454 [Lisa Noelle Voldeng]**

Yeah.

**00:14:19,524 --> 00:14:22,404 [Sascha Riley ]**

And, uh, you know, I said, "Without seeing

**00:14:22,444 --> 00:14:23,884 [Sascha Riley ]**

the movie, I couldn't tell you, but it

**00:14:23,904 --> 00:14:26,093 [Sascha Riley ]**

started at nine and ended at, you know...

**00:14:26,204 --> 00:14:28,404 [Sascha Riley ]**

I, I remember it starting out at about

**00:14:28,444 --> 00:14:30,723 [Sascha Riley ]**

nine, and then it ended around 13."

**00:14:30,733 --> 00:14:30,733 [Lisa Noelle Voldeng]**

Yeah.

**00:14:30,784 --> 00:14:33,924 [Sascha Riley ]**

So about the same thing I told you. Um,

**00:14:34,223 --> 00:14:36,003 [Sascha Riley ]**

that hasn't changed over the years.

**00:14:36,064 --> 00:14:36,603 [Lisa Noelle Voldeng]**

Okay.

**00:14:36,704 --> 00:14:40,424 [Sascha Riley ]**

Uh, it is possible, however, that, uh,

**00:14:40,464 --> 00:14:42,944 [Sascha Riley ]**

nine is just where I begin to remember it,

**00:14:43,044 --> 00:14:45,483 [Sascha Riley ]**

and it, it is very possible that it was

**00:14:45,544 --> 00:14:46,584 [Sascha Riley ]**

happening before then.

**00:14:47,103 --> 00:14:47,584 [Lisa Noelle Voldeng]**

Mm-hmm.

**00:14:47,664 --> 00:14:49,934 [Sascha Riley ]**

So if I'm inaccurate, that would be the

**00:14:50,024 --> 00:14:52,483 [Sascha Riley ]**

only way that I am being inaccurate, is

**00:14:52,544 --> 00:14:54,164 [Sascha Riley ]**

just not remembering more.

**00:14:54,223 --> 00:14:57,204 [Lisa Noelle Voldeng]**

Okay. Well, I think when we have some

**00:14:57,264 --> 00:15:01,673 [Lisa Noelle Voldeng]**

further discussions, sort of, you know, I

**00:15:01,684 --> 00:15:03,214 [Lisa Noelle Voldeng]**

know how I can ask some questions that

**00:15:03,243 --> 00:15:04,964 [Lisa Noelle Voldeng]**

might help a bit with memory, but like I

**00:15:05,003 --> 00:15:08,124 [Lisa Noelle Voldeng]**

say, I'm really, um, focused on what's

**00:15:08,223 --> 00:15:10,804 [Lisa Noelle Voldeng]**

actually empowering, you know?

**00:15:10,944 --> 00:15:12,124 [Sascha Riley ]**

Mm-hmm.

**00:15:12,204 --> 00:15:14,784 [Lisa Noelle Voldeng]**

So in terms of, like,

**00:15:15,483 --> 00:15:15,673 [Lisa Noelle Voldeng]**

like,

**00:15:16,424 --> 00:15:18,964 [Lisa Noelle Voldeng]**

what you feel more freedom about, what's

**00:15:19,024 --> 00:15:21,284 [Lisa Noelle Voldeng]**

most helpful, you

**00:15:21,324 --> 00:15:24,003 [Lisa Noelle Voldeng]**

know?

**00:15:24,064 --> 00:15:26,664 [Sascha Riley ]**

Right. Uh-

**00:15:27,964 --> 00:15:28,424 [Lisa Noelle Voldeng]**

So-

**00:15:28,464 --> 00:15:29,103 [Sascha Riley ]**

Well-

**00:15:29,124 --> 00:15:29,624 [Lisa Noelle Voldeng]**

Well, that's-

**00:15:29,684 --> 00:15:30,044 [Sascha Riley ]**

Okay.

**00:15:30,054 --> 00:15:32,524 [Lisa Noelle Voldeng]**

Okay, so that's a good start. Um, those

**00:15:32,624 --> 00:15:34,953 [Lisa Noelle Voldeng]**

documents are great, and you don't have...

**00:15:34,964 --> 00:15:38,824 [Lisa Noelle Voldeng]**

Do you have any copies of, like, the,

**00:15:38,864 --> 00:15:40,743 [Lisa Noelle Voldeng]**

when you... When did you first-- So

**00:15:40,784 --> 00:15:41,944 [Lisa Noelle Voldeng]**

there's the stuff from when you were

**00:15:41,964 --> 00:15:44,723 [Lisa Noelle Voldeng]**

younger, CPS report, any mentions of the

**00:15:44,743 --> 00:15:47,394 [Lisa Noelle Voldeng]**

police incidents. Those ones are super,

**00:15:47,444 --> 00:15:49,164 [Lisa Noelle Voldeng]**

super important, but we've got to figure

**00:15:49,204 --> 00:15:50,874 [Lisa Noelle Voldeng]**

out a different approach of getting those

**00:15:50,924 --> 00:15:54,044 [Lisa Noelle Voldeng]**

because that would be a red flag if you're

**00:15:54,144 --> 00:15:56,723 [Lisa Noelle Voldeng]**

asking, and if there was any surveillance

**00:15:56,784 --> 00:15:58,723 [Lisa Noelle Voldeng]**

on the telephone call, I'm even careful

**00:15:58,764 --> 00:16:00,564 [Lisa Noelle Voldeng]**

about requesting. So I'm trying to figure

**00:16:00,644 --> 00:16:00,864 [Lisa Noelle Voldeng]**

out

**00:16:02,304 --> 00:16:05,364 [Lisa Noelle Voldeng]**

what sort of requests we can get in there-

**00:16:05,444 --> 00:16:05,493 [Sascha Riley ]**

Okay

**00:16:05,524 --> 00:16:07,824 [Lisa Noelle Voldeng]**

... how we can get that information.

**00:16:07,843 --> 00:16:07,853 [Sascha Riley ]**

Well-

**00:16:07,853 --> 00:16:09,084 [Lisa Noelle Voldeng]**

Like, that's where I was-

**00:16:09,103 --> 00:16:09,114 [Sascha Riley ]**

I'm gonna-

**00:16:09,114 --> 00:16:12,243 [Lisa Noelle Voldeng]**

... hoping. I, I, I actually even sent, I

**00:16:12,304 --> 00:16:13,824 [Lisa Noelle Voldeng]**

forgot to tell you, I sent an Instagram

**00:16:13,864 --> 00:16:15,343 [Lisa Noelle Voldeng]**

message, extremely

**00:16:15,964 --> 00:16:18,503 [Lisa Noelle Voldeng]**

vague, to Alan Analysis.

**00:16:18,512 --> 00:16:18,512 [Sascha Riley ]**

Mm-hmm.

**00:16:18,544 --> 00:16:20,064 [Lisa Noelle Voldeng]**

He hasn't gotten back to me yet, but I'll

**00:16:20,124 --> 00:16:23,424 [Lisa Noelle Voldeng]**

tell you what I said. Um, "Howdy, do you

**00:16:23,584 --> 00:16:25,503 [Lisa Noelle Voldeng]**

Signal? I'd like to ask you some questions

**00:16:25,544 --> 00:16:27,154 [Lisa Noelle Voldeng]**

and provide some information carefully.

**00:16:27,164 --> 00:16:28,644 [Lisa Noelle Voldeng]**

I've been helping an individual you've

**00:16:28,664 --> 00:16:30,704 [Lisa Noelle Voldeng]**

been helping. Signal chat, time

**00:16:30,784 --> 00:16:33,044 [Lisa Noelle Voldeng]**

sensitive." And all I was... I'm not gonna

**00:16:33,124 --> 00:16:35,503 [Lisa Noelle Voldeng]**

tell Alan anything about our discussion.

**00:16:35,964 --> 00:16:38,243 [Lisa Noelle Voldeng]**

I was going to only ask him, after I get a

**00:16:38,364 --> 00:16:41,584 [Lisa Noelle Voldeng]**

better sense of him, if he could,

**00:16:41,704 --> 00:16:43,924 [Lisa Noelle Voldeng]**

um-

**00:16:44,523 --> 00:16:45,704 [Sascha Riley ]**

Share with you the-

**00:16:45,763 --> 00:16:46,023 [Lisa Noelle Voldeng]**

Chat. Yeah

**00:16:46,104 --> 00:16:47,784 [Sascha Riley ]**

... the, the connection that he has?

**00:16:47,964 --> 00:16:48,253 [Lisa Noelle Voldeng]**

Yeah.

**00:16:48,284 --> 00:16:49,243 [Sascha Riley ]**

That would, that would certainly be

**00:16:49,284 --> 00:16:50,983 [Sascha Riley ]**

helpful. [chuckles]

**00:16:51,003 --> 00:16:53,904 [Lisa Noelle Voldeng]**

Yeah, and if he has, like, um, 'cause

**00:16:53,964 --> 00:16:55,864 [Lisa Noelle Voldeng]**

we've got your text messages, but, like,

**00:16:56,023 --> 00:16:58,023 [Lisa Noelle Voldeng]**

if he can, like, provide copies of what

**00:16:58,044 --> 00:17:00,104 [Lisa Noelle Voldeng]**

exactly he saw-

**00:17:00,124 --> 00:17:00,134 [Sascha Riley ]**

Right

**00:17:00,134 --> 00:17:01,604 [Lisa Noelle Voldeng]**

... in, like, the Epstein files or

**00:17:01,644 --> 00:17:05,144 [Lisa Noelle Voldeng]**

pointers to where we can download them.

**00:17:05,204 --> 00:17:08,063 [Sascha Riley ]**

That's, that's good thinking. I like that.

**00:17:08,124 --> 00:17:08,313 [Lisa Noelle Voldeng]**

Yeah.

**00:17:08,384 --> 00:17:11,523 [Sascha Riley ]**

And I will, I will send you that, and

**00:17:11,644 --> 00:17:14,414 [Sascha Riley ]**

I'll... [sighs]

**00:17:15,063 --> 00:17:17,083 [Sascha Riley ]**

The s- the states where this happened are

**00:17:17,104 --> 00:17:19,223 [Sascha Riley ]**

problematic, just because of how red they

**00:17:19,284 --> 00:17:22,563 [Sascha Riley ]**

are. Texas, obvious. Tennessee is just as

**00:17:22,624 --> 00:17:25,824 [Sascha Riley ]**

red, if not even, even more so.

**00:17:25,924 --> 00:17:27,914 [Sascha Riley ]**

Alabama is in the same boat, and so is

**00:17:27,944 --> 00:17:31,664 [Sascha Riley ]**

Florida. You know, um, if it, if, if,

**00:17:31,704 --> 00:17:34,074 [Sascha Riley ]**

like, one of the states had been

**00:17:34,124 --> 00:17:36,404 [Sascha Riley ]**

Massachusetts or Delaware or something

**00:17:36,444 --> 00:17:40,043 [Sascha Riley ]**

like that, I would be... It's not even a,

**00:17:40,104 --> 00:17:42,184 [Sascha Riley ]**

a matter of being comfortable asking for

**00:17:42,224 --> 00:17:46,264 [Sascha Riley ]**

it. It's just, like you said, of drawing

**00:17:46,324 --> 00:17:48,324 [Sascha Riley ]**

attention, and if we're not trying to do

**00:17:48,384 --> 00:17:51,304 [Sascha Riley ]**

that, at this point, it might. But if

**00:17:51,364 --> 00:17:53,224 [Sascha Riley ]**

there is some sort of way,

**00:17:54,784 --> 00:17:57,864 [Sascha Riley ]**

uh, even electronically, to try to request

**00:17:57,924 --> 00:17:58,304 [Sascha Riley ]**

that-

**00:17:58,884 --> 00:18:00,664 [Lisa Noelle Voldeng]**

Yeah. I mean, I know with-

**00:18:00,724 --> 00:18:02,224 [Sascha Riley ]**

I don't know. I'm just thinking.

**00:18:02,304 --> 00:18:06,083 [Lisa Noelle Voldeng]**

I think, like, what the constable said is

**00:18:06,184 --> 00:18:08,204 [Lisa Noelle Voldeng]**

that, and I did do a little bit of

**00:18:08,224 --> 00:18:12,024 [Lisa Noelle Voldeng]**

research, like, the constable said, you

**00:18:12,083 --> 00:18:14,024 [Lisa Noelle Voldeng]**

know, that those are requests. The

**00:18:14,083 --> 00:18:15,624 [Lisa Noelle Voldeng]**

constable... I don't think the constable

**00:18:15,664 --> 00:18:17,484 [Lisa Noelle Voldeng]**

was quite totally comprehending in terms

**00:18:17,543 --> 00:18:20,392 [Lisa Noelle Voldeng]**

of safety.... like the constable is still

**00:18:20,452 --> 00:18:21,941 [Lisa Noelle Voldeng]**

sort of thinking in terms of, "Well, what

**00:18:22,052 --> 00:18:23,892 [Lisa Noelle Voldeng]**

could the constable looked at to

**00:18:23,952 --> 00:18:25,672 [Lisa Noelle Voldeng]**

corroborate?" I think when the constable

**00:18:25,752 --> 00:18:28,892 [Lisa Noelle Voldeng]**

hears testimony and sees some documents,

**00:18:28,912 --> 00:18:30,851 [Lisa Noelle Voldeng]**

it will be helpful, right?

**00:18:30,932 --> 00:18:31,192 [Sascha Riley ]**

Okay, yeah.

**00:18:31,212 --> 00:18:32,581 [Lisa Noelle Voldeng]**

You know, just some folks are better when

**00:18:32,611 --> 00:18:34,572 [Lisa Noelle Voldeng]**

they see more. Um-

**00:18:34,652 --> 00:18:36,672 [Sascha Riley ]**

Absolutely. Absolutely.

**00:18:36,682 --> 00:18:39,091 [Lisa Noelle Voldeng]**

[chuckles] So I think, you know, 'cause

**00:18:39,111 --> 00:18:41,111 [Lisa Noelle Voldeng]**

the constable said, you know, "You can

**00:18:41,152 --> 00:18:42,982 [Lisa Noelle Voldeng]**

request all those documents, Freedom of

**00:18:43,052 --> 00:18:46,512 [Lisa Noelle Voldeng]**

Information Act, that I could even request

**00:18:46,572 --> 00:18:49,091 [Lisa Noelle Voldeng]**

them from Canada," but what you and I are

**00:18:49,111 --> 00:18:51,412 [Lisa Noelle Voldeng]**

concerned about is Roy Black, right?

**00:18:51,952 --> 00:18:52,351 [Lisa Noelle Voldeng]**

Just-

**00:18:52,371 --> 00:18:52,381 [Sascha Riley ]**

Right.

**00:18:52,392 --> 00:18:54,512 [Lisa Noelle Voldeng]**

It's just weird. I, and I said to the

**00:18:54,591 --> 00:18:56,572 [Lisa Noelle Voldeng]**

constable, "It's just, it's could just be

**00:18:56,631 --> 00:18:59,272 [Lisa Noelle Voldeng]**

coincidence, but abundance of caution."

**00:18:59,292 --> 00:19:02,331 [Lisa Noelle Voldeng]**

We're careful because obviously, um, the

**00:19:02,371 --> 00:19:07,232 [Lisa Noelle Voldeng]**

information on Roy Black, and I mean,

**00:19:07,371 --> 00:19:09,252 [Lisa Noelle Voldeng]**

nobody seems to really have looked much

**00:19:09,292 --> 00:19:12,611 [Lisa Noelle Voldeng]**

at Howard, um, Howard, at William Kyle at

**00:19:12,752 --> 00:19:15,392 [Lisa Noelle Voldeng]**

all. And it's just a bit odd that suddenly

**00:19:15,452 --> 00:19:17,892 [Lisa Noelle Voldeng]**

there's, Roy Black drops dead a day after

**00:19:17,932 --> 00:19:19,331 [Lisa Noelle Voldeng]**

we've-

**00:19:20,432 --> 00:19:20,461 [Sascha Riley ]**

Yeah

**00:19:20,472 --> 00:19:21,091 [Lisa Noelle Voldeng]**

... spoken on-

**00:19:21,101 --> 00:19:21,512 [Sascha Riley ]**

I got that

**00:19:21,652 --> 00:19:23,031 [Lisa Noelle Voldeng]**

... on an op, you know, on a,

**00:19:24,052 --> 00:19:26,351 [Lisa Noelle Voldeng]**

with a call drop out, so.

**00:19:26,452 --> 00:19:26,952 [Sascha Riley ]**

Right.

**00:19:28,232 --> 00:19:30,472 [Sascha Riley ]**

All right, well, I will, I will forward

**00:19:30,492 --> 00:19:32,932 [Sascha Riley ]**

you those things, and I will start getting

**00:19:32,952 --> 00:19:34,972 [Sascha Riley ]**

me an itinerary to go down to Alabama.

**00:19:34,982 --> 00:19:36,652 [Sascha Riley ]**

It'll probably be Monday, Tuesday,

**00:19:36,692 --> 00:19:38,292 [Sascha Riley ]**

Wednesday of next week, something like

**00:19:38,361 --> 00:19:40,212 [Sascha Riley ]**

that, and it's contingent on me getting my

**00:19:40,232 --> 00:19:41,771 [Sascha Riley ]**

motorcycle back.

**00:19:41,851 --> 00:19:42,152 [Lisa Noelle Voldeng]**

Okay.

**00:19:42,192 --> 00:19:45,172 [Sascha Riley ]**

So, uh, I, I just spoke to the guy

**00:19:45,252 --> 00:19:47,611 [Sascha Riley ]**

yesterday. The part was on order as of

**00:19:47,712 --> 00:19:49,851 [Sascha Riley ]**

Monday. It was supposed to be in today

**00:19:50,452 --> 00:19:53,252 [Sascha Riley ]**

or tomorrow at the latest. Uh, apparently

**00:19:53,292 --> 00:19:55,252 [Sascha Riley ]**

it's not that difficult to put on, and

**00:19:55,391 --> 00:19:57,322 [Sascha Riley ]**

after it's on, I should be good to go.

**00:19:57,692 --> 00:19:58,032 [Lisa Noelle Voldeng]**

Okay.

**00:19:58,042 --> 00:20:00,812 [Sascha Riley ]**

So I'm hoping to get the bike back as

**00:20:00,891 --> 00:20:04,812 [Sascha Riley ]**

early as tomorrow or, um, early

**00:20:04,851 --> 00:20:06,772 [Sascha Riley ]**

next week at the latest, unless, of

**00:20:06,851 --> 00:20:09,482 [Sascha Riley ]**

course, uh, that part doesn't fix it, so.

**00:20:09,532 --> 00:20:09,792 [Lisa Noelle Voldeng]**

Yeah.

**00:20:10,472 --> 00:20:13,292 [Lisa Noelle Voldeng]**

So something else then, so then I'm just

**00:20:13,452 --> 00:20:15,212 [Lisa Noelle Voldeng]**

sort of like question mark in terms of how

**00:20:15,252 --> 00:20:18,542 [Lisa Noelle Voldeng]**

to get at those files, um, all those

**00:20:18,652 --> 00:20:20,172 [Lisa Noelle Voldeng]**

other sort of reports, 'cause those are

**00:20:20,212 --> 00:20:22,891 [Lisa Noelle Voldeng]**

helpful context, but the hospital one is,

**00:20:22,932 --> 00:20:24,652 [Lisa Noelle Voldeng]**

is quite helpful. But the other reports

**00:20:24,672 --> 00:20:25,812 [Lisa Noelle Voldeng]**

are really important, 'cause there's

**00:20:25,851 --> 00:20:28,501 [Lisa Noelle Voldeng]**

police, you know, 'cause wasn't, didn't...

You said there was a police report filed

**00:20:30,412 --> 00:20:32,812 [Lisa Noelle Voldeng]**

regarding the complaint to Samantha, uh,

**00:20:32,851 --> 00:20:34,532 [Lisa Noelle Voldeng]**

regarding Samantha?

**00:20:34,572 --> 00:20:36,891 [Sascha Riley ]**

Oh, yeah. There was a whole investigation

**00:20:36,932 --> 00:20:38,831 [Sascha Riley ]**

that involved the FBI and the local

**00:20:38,912 --> 00:20:42,091 [Sascha Riley ]**

police, because when they first got her,

**00:20:42,152 --> 00:20:44,891 [Sascha Riley ]**

the only thing she had was, like, a, uh,

**00:20:44,972 --> 00:20:48,472 [Sascha Riley ]**

little plastic bag of, uh, like one change

**00:20:48,492 --> 00:20:52,952 [Sascha Riley ]**

of clothes. So we went, and, and, and in

**00:20:52,992 --> 00:20:55,172 [Sascha Riley ]**

the beginning, they weren't, you know,

**00:20:55,232 --> 00:20:58,871 [Sascha Riley ]**

hurting her. They, they just had us both

**00:20:58,952 --> 00:21:00,712 [Sascha Riley ]**

there. Um,

**00:21:02,052 --> 00:21:04,812 [Sascha Riley ]**

and there was a witness at the shoe store

**00:21:04,851 --> 00:21:07,120 [Sascha Riley ]**

that we went to, um,

**00:21:08,891 --> 00:21:11,331 [Sascha Riley ]**

that, that remembered both of us, because,

**00:21:11,351 --> 00:21:14,732 [Sascha Riley ]**

you know, we were kids, and, and, uh, it,

**00:21:14,742 --> 00:21:15,331 [Sascha Riley ]**

it, it was

**00:21:16,072 --> 00:21:17,851 [Sascha Riley ]**

her being a Black girl and me being a, a,

**00:21:17,992 --> 00:21:19,772 [Sascha Riley ]**

a white kid, it was, it was just something

**00:21:19,792 --> 00:21:22,072 [Sascha Riley ]**

that stood out to the, uh, to the witness

**00:21:22,132 --> 00:21:24,512 [Sascha Riley ]**

there. She was a slender Black lady.

**00:21:24,532 --> 00:21:24,742 [Lisa Noelle Voldeng]**

Mm-hmm.

**00:21:24,812 --> 00:21:27,172 [Sascha Riley ]**

And she, I know she was part of the

**00:21:27,192 --> 00:21:28,512 [Sascha Riley ]**

investigation, 'cause she thought

**00:21:28,572 --> 00:21:31,632 [Sascha Riley ]**

something was fishy, even in the store.

**00:21:31,752 --> 00:21:33,792 [Sascha Riley ]**

Um, just the way that Lynn was acting.

**00:21:33,831 --> 00:21:35,482 [Sascha Riley ]**

Lynn was the one that actually took us out

**00:21:35,512 --> 00:21:37,152 [Sascha Riley ]**

to get these clothes.

**00:21:37,172 --> 00:21:37,662 [Lisa Noelle Voldeng]**

Mm-hmm.

**00:21:37,772 --> 00:21:38,091 [Sascha Riley ]**

Um,

**00:21:39,472 --> 00:21:42,061 [Sascha Riley ]**

but yes, there was an investigation, and

**00:21:42,111 --> 00:21:44,172 [Sascha Riley ]**

nothing came out of it. But there was,

**00:21:44,232 --> 00:21:45,912 [Sascha Riley ]**

there was... It was more than just a, like

**00:21:46,012 --> 00:21:48,182 [Sascha Riley ]**

a welfare check or something like that.

**00:21:48,272 --> 00:21:50,672 [Sascha Riley ]**

They came and did a, a full investigation.

**00:21:50,712 --> 00:21:52,611 [Sascha Riley ]**

They did find blood in the room that we

**00:21:52,692 --> 00:21:55,871 [Sascha Riley ]**

were being stored in, and I was, as a

**00:21:55,912 --> 00:21:59,152 [Sascha Riley ]**

result of that investigation, turned into

**00:21:59,212 --> 00:22:01,542 [Sascha Riley ]**

CPS again. So, uh-

**00:22:01,572 --> 00:22:02,152 [Lisa Noelle Voldeng]**

And that was your

**00:22:02,812 --> 00:22:05,012 [Lisa Noelle Voldeng]**

second time with CPS?

**00:22:05,032 --> 00:22:06,851 [Sascha Riley ]**

That... Oh, it was at least the third

**00:22:06,891 --> 00:22:09,252 [Sascha Riley ]**

time. I had been referred to CPS, that,

**00:22:09,272 --> 00:22:11,132 [Sascha Riley ]**

that would've been in Alabama. I had

**00:22:11,172 --> 00:22:13,972 [Sascha Riley ]**

already been referred to CPS in Tennessee

**00:22:14,452 --> 00:22:17,012 [Sascha Riley ]**

during the year that we lived there, and I

**00:22:17,032 --> 00:22:19,472 [Sascha Riley ]**

had been referred into the CPS system in

**00:22:19,532 --> 00:22:20,061 [Sascha Riley ]**

Texas.

**00:22:20,672 --> 00:22:22,851 [Sascha Riley ]**

So Texas, Tennessee, and Alabama, I was

**00:22:22,891 --> 00:22:24,992 [Sascha Riley ]**

referred into the CPS system, and then

**00:22:25,632 --> 00:22:29,052 [Sascha Riley ]**

in Florida, the beach incident at the

**00:22:29,072 --> 00:22:31,532 [Sascha Riley ]**

riptide, uh, uh, area,

**00:22:32,891 --> 00:22:35,371 [Sascha Riley ]**

that generated another investigation. The,

**00:22:35,432 --> 00:22:38,132 [Sascha Riley ]**

the sheriff came down, did a, uh-

**00:22:38,152 --> 00:22:38,292 [Lisa Noelle Voldeng]**

Mm

**00:22:38,391 --> 00:22:40,312 [Sascha Riley ]**

... uh, witness statements and all of that

**00:22:40,351 --> 00:22:42,492 [Sascha Riley ]**

from the guy that fished me out of, off,

**00:22:42,532 --> 00:22:45,292 [Sascha Riley ]**

off the sandbar and brought me in. Um,

**00:22:45,532 --> 00:22:47,232 [Sascha Riley ]**

they, they did interviews, and then

**00:22:48,091 --> 00:22:51,612 [Sascha Riley ]**

we left, uh, from the beach, went home,

**00:22:51,672 --> 00:22:53,891 [Sascha Riley ]**

and the sheriff in Alabama came

**00:22:54,572 --> 00:22:55,612 [Sascha Riley ]**

and talked to my dad.

**00:22:55,621 --> 00:22:55,621 [Lisa Noelle Voldeng]**

Mm-hmm.

**00:22:55,652 --> 00:22:58,612 [Sascha Riley ]**

So they, they, it was a, a, across both of

**00:22:58,672 --> 00:23:01,911 [Sascha Riley ]**

those, uh, states. So

**00:23:03,032 --> 00:23:05,172 [Sascha Riley ]**

there was at least a precursory

**00:23:05,252 --> 00:23:07,772 [Sascha Riley ]**

investigation, even if all that was was a

**00:23:07,831 --> 00:23:11,831 [Sascha Riley ]**

welfare check, but it went through the,

**00:23:11,932 --> 00:23:14,072 [Sascha Riley ]**

um, the sheriff's office, the police

**00:23:14,112 --> 00:23:16,952 [Sascha Riley ]**

station there in New Brockton, Alabama.

**00:23:17,012 --> 00:23:18,442 [Lisa Noelle Voldeng]**

Let me ask you a question. When the

**00:23:18,492 --> 00:23:20,331 [Lisa Noelle Voldeng]**

investigation, when they found blood in

**00:23:20,371 --> 00:23:22,601 [Lisa Noelle Voldeng]**

the room where you and Samantha were, were

**00:23:22,712 --> 00:23:23,252 [Lisa Noelle Voldeng]**

held,

**00:23:25,532 --> 00:23:28,792 [Lisa Noelle Voldeng]**

did they, did they experience awareness

**00:23:28,972 --> 00:23:31,272 [Lisa Noelle Voldeng]**

Samantha had died, or had Samantha's body

**00:23:31,331 --> 00:23:32,891 [Lisa Noelle Voldeng]**

been moved already, so they were

**00:23:32,932 --> 00:23:34,652 [Lisa Noelle Voldeng]**

investigating?

**00:23:34,712 --> 00:23:36,532 [Sascha Riley ]**

They were investigating. Samantha's body

**00:23:36,572 --> 00:23:39,091 [Sascha Riley ]**

had already been moved, and the only thing

**00:23:39,132 --> 00:23:40,911 [Sascha Riley ]**

that they had was the one eyewitness

**00:23:40,972 --> 00:23:43,712 [Sascha Riley ]**

account, and what they told the police was

**00:23:43,812 --> 00:23:46,091 [Sascha Riley ]**

that she was a runaway, that

**00:23:46,752 --> 00:23:48,512 [Sascha Riley ]**

they took in for a period of time, and

**00:23:48,532 --> 00:23:50,962 [Sascha Riley ]**

then she ran back away. That's what they

**00:23:50,962 --> 00:23:50,962 [Sascha Riley ]**

told the police.

**00:23:50,962 --> 00:23:53,932 [Lisa Noelle Voldeng]**

So they never even saw Samantha's body?

**00:23:54,091 --> 00:23:57,432 [Sascha Riley ]**

No. No. As far as I know, it's never been

**00:23:57,512 --> 00:23:59,911 [Sascha Riley ]**

recovered.

**00:23:59,972 --> 00:24:02,612 [Lisa Noelle Voldeng]**

So Samantha's body was never recovered.

**00:24:02,632 --> 00:24:02,722 [Lisa Noelle Voldeng]**

Gosh.

**00:24:02,752 --> 00:24:08,172 [Sascha Riley ]**

As far as I know, it, it has not been. Um,

**00:24:11,532 --> 00:24:12,532 [Sascha Riley ]**

[exhales]

**00:24:14,891 --> 00:24:16,911 [Sascha Riley ]**

but that blood in that room was from her,

**00:24:17,632 --> 00:24:19,112 [Sascha Riley ]**

'cause that was the thing, it did not

**00:24:19,172 --> 00:24:20,351 [Sascha Riley ]**

match any of us,

**00:24:21,371 --> 00:24:24,947 [Sascha Riley ]**

and... It was her, Stan.

**00:24:25,088 --> 00:24:27,707 [Lisa Noelle Voldeng]**

Okay. Now, um,

**00:24:28,388 --> 00:24:30,968 [Lisa Noelle Voldeng]**

let's see. So Samantha's body wasn't

**00:24:30,988 --> 00:24:33,818 [Lisa Noelle Voldeng]**

recovered. There was an f- full

**00:24:33,828 --> 00:24:36,968 [Lisa Noelle Voldeng]**

investigation, and you said you told the

**00:24:37,028 --> 00:24:39,848 [Lisa Noelle Voldeng]**

FBI what you remembered, or you told the

**00:24:39,928 --> 00:24:40,888 [Lisa Noelle Voldeng]**

police that?

**00:24:41,248 --> 00:24:43,888 [Sascha Riley ]**

I, I, I told the police many, many years

**00:24:43,947 --> 00:24:44,788 [Sascha Riley ]**

later.

**00:24:44,798 --> 00:24:45,728 [Lisa Noelle Voldeng]**

Many years later.

**00:24:45,738 --> 00:24:45,758 [Sascha Riley ]**

Um, I did-

**00:24:45,768 --> 00:24:46,468 [Lisa Noelle Voldeng]**

Okay.

**00:24:46,548 --> 00:24:46,687 [Sascha Riley ]**

I-

**00:24:46,707 --> 00:24:47,728 [Lisa Noelle Voldeng]**

But not right then-

**00:24:47,748 --> 00:24:47,758 [Sascha Riley ]**

I don't recall

**00:24:47,758 --> 00:24:48,608 [Lisa Noelle Voldeng]**

... many years later.

**00:24:48,668 --> 00:24:49,148 [Sascha Riley ]**

Yes.

**00:24:49,187 --> 00:24:49,368 [Lisa Noelle Voldeng]**

Okay.

**00:24:49,428 --> 00:24:51,228 [Sascha Riley ]**

I, I don't think I was even allowed to

**00:24:51,348 --> 00:24:52,538 [Sascha Riley ]**

speak to the, the investigating officers.

**00:24:52,538 --> 00:24:54,088 [Lisa Noelle Voldeng]**

That's what I recall. Okay, no, that's

**00:24:54,148 --> 00:24:56,348 [Lisa Noelle Voldeng]**

okay. That's what I remember you said.

**00:24:56,357 --> 00:24:56,357 [Sascha Riley ]**

Yes.

**00:24:56,408 --> 00:24:58,788 [Lisa Noelle Voldeng]**

So years later... So let's just jump

**00:24:58,848 --> 00:25:01,268 [Lisa Noelle Voldeng]**

forward a bit in terms of you told the

**00:25:01,308 --> 00:25:01,758 [Lisa Noelle Voldeng]**

police

**00:25:02,868 --> 00:25:06,128 [Lisa Noelle Voldeng]**

when you filed your police or FBI reports?

**00:25:06,187 --> 00:25:06,338 [Sascha Riley ]**

Yes.

**00:25:06,338 --> 00:25:07,248 [Lisa Noelle Voldeng]**

Years later.

**00:25:07,268 --> 00:25:07,278 [Sascha Riley ]**

Yes.

**00:25:07,308 --> 00:25:10,187 [Lisa Noelle Voldeng]**

So what years did you file those reports?

**00:25:10,248 --> 00:25:12,598 [Sascha Riley ]**

Would've been around 2021,

**00:25:13,748 --> 00:25:15,028 [Sascha Riley ]**

2020 maybe.

**00:25:15,207 --> 00:25:17,148 [Lisa Noelle Voldeng]**

2020, 2021.

**00:25:17,988 --> 00:25:18,428 [Sascha Riley ]**

Yes.

**00:25:18,928 --> 00:25:23,868 [Lisa Noelle Voldeng]**

Okay. So, and then you told the police?

**00:25:23,947 --> 00:25:26,628 [Sascha Riley ]**

Yes. I said... And, and, you know, I, I

**00:25:26,748 --> 00:25:29,048 [Sascha Riley ]**

really tried to stick with the things that

**00:25:29,088 --> 00:25:31,488 [Sascha Riley ]**

could be verified, like going back and

**00:25:31,568 --> 00:25:33,288 [Sascha Riley ]**

looking at the, you know, investigations

**00:25:33,328 --> 00:25:34,648 [Sascha Riley ]**

and stuff like that. I remember

**00:25:35,768 --> 00:25:38,168 [Sascha Riley ]**

more stuff that, that you can't get

**00:25:38,187 --> 00:25:40,868 [Sascha Riley ]**

anything to really corroborate. So, you

**00:25:40,908 --> 00:25:42,568 [Sascha Riley ]**

know, I just tried to focus on, "Okay,

**00:25:42,628 --> 00:25:44,868 [Sascha Riley ]**

well, I know this g- generated a police

**00:25:44,928 --> 00:25:47,088 [Sascha Riley ]**

report. I remember this generated a police

**00:25:47,168 --> 00:25:48,928 [Sascha Riley ]**

report," so I just stuck to those things,

**00:25:48,947 --> 00:25:50,788 [Sascha Riley ]**

as, which was kind of the same thing that

**00:25:50,868 --> 00:25:52,187 [Sascha Riley ]**

I did with, with you.

**00:25:52,388 --> 00:25:52,728 [Lisa Noelle Voldeng]**

Mm-hmm.

**00:25:53,668 --> 00:25:56,668 [Sascha Riley ]**

You know? Um, now, I don't actually have

**00:25:56,748 --> 00:25:58,248 [Sascha Riley ]**

those police reports, but

**00:25:59,768 --> 00:26:01,628 [Sascha Riley ]**

they should exist.

**00:26:02,328 --> 00:26:03,888 [Lisa Noelle Voldeng]**

Yeah, and those, again, are ones that you

**00:26:03,908 --> 00:26:06,268 [Lisa Noelle Voldeng]**

can request copies of those police reports

**00:26:06,288 --> 00:26:08,228 [Lisa Noelle Voldeng]**

or FBI reports, and that's one of the

**00:26:08,288 --> 00:26:10,108 [Lisa Noelle Voldeng]**

questions the co- the constable asked me,

**00:26:10,128 --> 00:26:11,908 [Lisa Noelle Voldeng]**

and I think it's helpful just in terms of

**00:26:11,947 --> 00:26:14,408 [Lisa Noelle Voldeng]**

percep- perceptually. The constable said,

**00:26:14,418 --> 00:26:15,808 [Lisa Noelle Voldeng]**

"Well, why don't you have copies of the

**00:26:15,828 --> 00:26:17,458 [Lisa Noelle Voldeng]**

police reports?" And I said, "Well, I

**00:26:17,467 --> 00:26:19,937 [Lisa Noelle Voldeng]**

would ask you." That- that's, you know,

**00:26:20,008 --> 00:26:23,068 [Lisa Noelle Voldeng]**

early in our discussions. Um, let me ask

**00:26:23,108 --> 00:26:24,248 [Lisa Noelle Voldeng]**

you a question.

**00:26:24,268 --> 00:26:24,278 [Sascha Riley ]**

Yeah.

**00:26:24,278 --> 00:26:26,408 [Lisa Noelle Voldeng]**

When you got the police reports and so on,

**00:26:26,447 --> 00:26:28,048 [Lisa Noelle Voldeng]**

that was 2020, '21.

**00:26:28,947 --> 00:26:29,138 [Sascha Riley ]**

Yeah.

**00:26:29,148 --> 00:26:30,947 [Lisa Noelle Voldeng]**

I mean, I know that when I've filed

**00:26:30,988 --> 00:26:32,687 [Lisa Noelle Voldeng]**

complaints, you don't usually get a copy

**00:26:32,748 --> 00:26:34,148 [Lisa Noelle Voldeng]**

right away. You have to request the

**00:26:34,208 --> 00:26:36,708 [Lisa Noelle Voldeng]**

report, right? So

**00:26:37,888 --> 00:26:39,498 [Lisa Noelle Voldeng]**

when you filed those reports, they...

**00:26:39,508 --> 00:26:39,917 [Lisa Noelle Voldeng]**

What's the

**00:26:40,728 --> 00:26:42,008 [Lisa Noelle Voldeng]**

standard in the United States? Do they

**00:26:42,068 --> 00:26:44,428 [Lisa Noelle Voldeng]**

offer you copies? Is it just assumed that

**00:26:44,488 --> 00:26:46,528 [Lisa Noelle Voldeng]**

you would have to request an, a copy of

**00:26:46,568 --> 00:26:48,488 [Lisa Noelle Voldeng]**

those reports? Um-

**00:26:48,528 --> 00:26:51,088 [Sascha Riley ]**

I, I can go... I mean, the Lawton is just

**00:26:51,228 --> 00:26:53,528 [Sascha Riley ]**

30-some something miles away. I can go

**00:26:53,568 --> 00:26:56,828 [Sascha Riley ]**

and, and request, you know, the dispos-

**00:26:56,908 --> 00:26:59,248 [Sascha Riley ]**

uh, the disposition of that case. I'm sure

**00:26:59,268 --> 00:27:01,208 [Sascha Riley ]**

it's been closed. Um,

**00:27:02,288 --> 00:27:03,988 [Sascha Riley ]**

but I can go request it.

**00:27:04,048 --> 00:27:04,937 [Lisa Noelle Voldeng]**

Yeah, okay. I-

**00:27:04,988 --> 00:27:09,008 [Sascha Riley ]**

I can do that one. Just, I just... I don't

**00:27:09,048 --> 00:27:10,308 [Sascha Riley ]**

think that that would raise any red

**00:27:10,368 --> 00:27:12,168 [Sascha Riley ]**

flags. Let me, let me see. Let me go

**00:27:12,208 --> 00:27:15,228 [Sascha Riley ]**

tomorrow and, and, and see if I can get a

**00:27:15,268 --> 00:27:17,728 [Sascha Riley ]**

copy of that one. That one might be the m-

**00:27:17,768 --> 00:27:20,648 [Sascha Riley ]**

the easiest, the most attainable one for

**00:27:20,687 --> 00:27:22,447 [Sascha Riley ]**

me to get right now.

**00:27:23,588 --> 00:27:23,658 [Lisa Noelle Voldeng]**

Okay.

**00:27:23,658 --> 00:27:25,368 [Sascha Riley ]**

I don't have to cross any state lines or

**00:27:25,388 --> 00:27:26,768 [Sascha Riley ]**

anything to go get that.

**00:27:27,068 --> 00:27:31,088 [Lisa Noelle Voldeng]**

So the, and the Lawton one is from 2020,

**00:27:31,208 --> 00:27:33,128 [Lisa Noelle Voldeng]**

2021-ish?

**00:27:33,168 --> 00:27:36,028 [Sascha Riley ]**

Yes. I, I could be wrong on that. I just,

**00:27:36,088 --> 00:27:38,248 [Sascha Riley ]**

I'm, I'm, in my mind, I'm thinking I, I

**00:27:38,348 --> 00:27:39,788 [Sascha Riley ]**

still had my Jeep,

**00:27:40,508 --> 00:27:42,388 [Sascha Riley ]**

so that would've been around that time,

**00:27:42,398 --> 00:27:43,598 [Sascha Riley ]**

'cause I was trying to remember what

**00:27:43,628 --> 00:27:44,628 [Sascha Riley ]**

vehicle I drove-

**00:27:45,608 --> 00:27:46,857 [Lisa Noelle Voldeng]**

And that was the first time-

**00:27:46,857 --> 00:27:46,937 [Sascha Riley ]**

... to the police station

**00:27:46,937 --> 00:27:48,608 [Lisa Noelle Voldeng]**

-as an adult that you'd filed a police

**00:27:48,668 --> 00:27:51,168 [Lisa Noelle Voldeng]**

report, right?

**00:27:52,408 --> 00:27:54,148 [Sascha Riley ]**

Let me... Yes.

**00:27:54,208 --> 00:27:54,908 [Lisa Noelle Voldeng]**

Okay.

**00:27:54,967 --> 00:27:55,467 [Sascha Riley ]**

Yes.

**00:27:55,488 --> 00:27:58,388 [Lisa Noelle Voldeng]**

And did you file an FBI report during the

**00:27:58,447 --> 00:27:59,568 [Lisa Noelle Voldeng]**

same year, or?

**00:27:59,928 --> 00:28:01,378 [Sascha Riley ]**

I reached out to the FBI-

**00:28:01,378 --> 00:28:01,378 [Lisa Noelle Voldeng]**

Reached out to the FBI

**00:28:01,447 --> 00:28:05,928 [Sascha Riley ]**

... and spoke to them on, uh, at first

**00:28:05,967 --> 00:28:10,548 [Sascha Riley ]**

through social media, and then, uh, um, we

**00:28:10,588 --> 00:28:11,528 [Sascha Riley ]**

did a follow-on,

**00:28:12,648 --> 00:28:15,488 [Sascha Riley ]**

uh, back and forth, but, but that was it.

**00:28:15,947 --> 00:28:15,958 [Lisa Noelle Voldeng]**

Okay.

**00:28:16,028 --> 00:28:18,048 [Sascha Riley ]**

I never went to, like, the FBI building

**00:28:18,108 --> 00:28:20,137 [Sascha Riley ]**

and sat down and gave a deposition or

**00:28:20,168 --> 00:28:23,828 [Sascha Riley ]**

anything like that. His response was just

**00:28:23,848 --> 00:28:25,848 [Sascha Riley ]**

to go to the local police, and that would,

**00:28:25,908 --> 00:28:28,687 [Sascha Riley ]**

that should trigger a larger scale

**00:28:29,528 --> 00:28:32,388 [Sascha Riley ]**

investigation, so that's what I did. Um,

**00:28:32,608 --> 00:28:34,348 [Sascha Riley ]**

to the best of my recollection, I s- I

**00:28:34,428 --> 00:28:36,788 [Sascha Riley ]**

reached out to the FBI in the beginning

**00:28:36,868 --> 00:28:38,728 [Sascha Riley ]**

because I knew that the FBI had been

**00:28:38,788 --> 00:28:42,547 [Sascha Riley ]**

involved in the one in, uh, Alabama, in

**00:28:42,607 --> 00:28:45,008 [Sascha Riley ]**

that investigation in Alabama with, uh, in

**00:28:45,068 --> 00:28:46,328 [Sascha Riley ]**

regards to Samantha.

**00:28:46,348 --> 00:28:46,638 [Lisa Noelle Voldeng]**

Yeah.

**00:28:46,648 --> 00:28:50,487 [Sascha Riley ]**

And also, they were involved in the, uh,

**00:28:50,588 --> 00:28:53,268 [Sascha Riley ]**

investigation that landed, uh, the

**00:28:53,467 --> 00:28:55,848 [Sascha Riley ]**

parents of the girl that I did the one

**00:28:55,908 --> 00:28:58,967 [Sascha Riley ]**

movie with in Tennessee, in jail. I know

**00:28:59,008 --> 00:29:01,158 [Sascha Riley ]**

that the FBI was involved in that one as

**00:29:01,228 --> 00:29:03,908 [Sascha Riley ]**

well, so I figured they were, as the

**00:29:04,588 --> 00:29:06,828 [Sascha Riley ]**

larger scale operation, they would be the

**00:29:06,868 --> 00:29:09,328 [Sascha Riley ]**

ones to go to, but they then referred me

**00:29:09,368 --> 00:29:11,208 [Sascha Riley ]**

back down to the local police.

**00:29:11,228 --> 00:29:11,248 [Lisa Noelle Voldeng]**

[chuckles]

**00:29:11,288 --> 00:29:11,378 [Sascha Riley ]**

So I did that.

**00:29:11,378 --> 00:29:13,068 [Lisa Noelle Voldeng]**

Sort of what occurred with me yesterday

**00:29:13,088 --> 00:29:14,728 [Lisa Noelle Voldeng]**

when I was trying [chuckles] to get in

**00:29:14,808 --> 00:29:16,548 [Lisa Noelle Voldeng]**

touch with somebody more in international

**00:29:16,628 --> 00:29:18,748 [Lisa Noelle Voldeng]**

policing with the RCMP. They, they seem

**00:29:18,788 --> 00:29:21,588 [Lisa Noelle Voldeng]**

to... Whatever their sort of procedures

**00:29:21,668 --> 00:29:23,467 [Lisa Noelle Voldeng]**

are, they seem to sometimes get a little

**00:29:23,508 --> 00:29:25,467 [Lisa Noelle Voldeng]**

caught up in following procedures instead

**00:29:25,508 --> 00:29:27,408 [Lisa Noelle Voldeng]**

of thinking, like, of the specifics of

**00:29:27,447 --> 00:29:29,098 [Lisa Noelle Voldeng]**

each case, so.

**00:29:29,188 --> 00:29:29,388 [Sascha Riley ]**

Right.

**00:29:29,548 --> 00:29:31,368 [Lisa Noelle Voldeng]**

I, I understand. So, okay, so you t-

**00:29:31,428 --> 00:29:33,228 [Lisa Noelle Voldeng]**

talked to the s- FBI. They told you to go

**00:29:33,268 --> 00:29:34,568 [Lisa Noelle Voldeng]**

to the police.

**00:29:34,588 --> 00:29:34,598 [Sascha Riley ]**

Yes.

**00:29:34,608 --> 00:29:36,528 [Lisa Noelle Voldeng]**

You filed the police report, and you can

**00:29:36,568 --> 00:29:39,128 [Lisa Noelle Voldeng]**

get a copy of the report in Lawton.

**00:29:39,168 --> 00:29:39,708 [Sascha Riley ]**

Yes.

**00:29:39,768 --> 00:29:40,278 [Lisa Noelle Voldeng]**

Now, and-

**00:29:40,278 --> 00:29:41,447 [Sascha Riley ]**

I'll do that tomorrow.

**00:29:41,508 --> 00:29:43,947 [Lisa Noelle Voldeng]**

Okay, so Friday. Will you

**00:29:44,608 --> 00:29:47,188 [Lisa Noelle Voldeng]**

just sort of, like, just... Let's sort of

**00:29:47,308 --> 00:29:48,788 [Lisa Noelle Voldeng]**

set a sort of standard about

**00:29:49,487 --> 00:29:51,328 [Lisa Noelle Voldeng]**

check in with me morning and evening,

**00:29:51,388 --> 00:29:53,288 [Lisa Noelle Voldeng]**

wellness checks, okay? I would just feel

**00:29:53,348 --> 00:29:54,548 [Lisa Noelle Voldeng]**

better. [chuckles]

**00:29:54,557 --> 00:29:55,828 [Sascha Riley ]**

Okay. Yeah, absolutely.

**00:29:55,868 --> 00:29:56,057 [Lisa Noelle Voldeng]**

Okay.

**00:29:56,068 --> 00:29:58,568 [Sascha Riley ]**

And I will get you that, that, the, uh,

**00:29:59,467 --> 00:30:01,348 [Sascha Riley ]**

the DD 214, I'll get you that in the next

**00:30:01,487 --> 00:30:02,688 [Sascha Riley ]**

few minutes here.

**00:30:02,768 --> 00:30:05,608 [Lisa Noelle Voldeng]**

So DD 214, and then-

**00:30:05,628 --> 00:30:05,748 [Sascha Riley ]**

Yes

**00:30:05,758 --> 00:30:07,428 [Lisa Noelle Voldeng]**

... Friday you'll get the, the police

**00:30:07,508 --> 00:30:08,268 [Lisa Noelle Voldeng]**

report.

**00:30:09,388 --> 00:30:10,668 [Sascha Riley ]**

Yes, and then-

**00:30:10,688 --> 00:30:14,848 [Lisa Noelle Voldeng]**

Um, and then the, the medical, the, the

**00:30:14,908 --> 00:30:15,608 [Lisa Noelle Voldeng]**

paperwork from the hospital.

**00:30:15,628 --> 00:30:17,458 [Sascha Riley ]**

That- that's a little bit more of a, uh,

**00:30:17,528 --> 00:30:19,788 [Sascha Riley ]**

of a, of a, of a

**00:30:21,048 --> 00:30:22,288 [Sascha Riley ]**

involved process, but-

**00:30:22,308 --> 00:30:22,447 [Lisa Noelle Voldeng]**

Yeah

**00:30:22,467 --> 00:30:22,928 [Sascha Riley ]**

... sure.

**00:30:22,947 --> 00:30:22,958 [Lisa Noelle Voldeng]**

Okay.

**00:30:22,987 --> 00:30:23,908 [Sascha Riley ]**

I don't, I don't mind ride-

**00:30:24,487 --> 00:30:25,018 [Lisa Noelle Voldeng]**

Okay, so DD-

**00:30:25,018 --> 00:30:26,708 [Sascha Riley ]**

-ride down to Alabama and grabbing that.

**00:30:26,768 --> 00:30:31,122 [Lisa Noelle Voldeng]**

Okay, so DD 214, police report---

**00:30:31,152 --> 00:30:33,072 [Lisa Noelle Voldeng]**

paperwork from hospital, then we're

**00:30:33,091 --> 00:30:35,682 [Lisa Noelle Voldeng]**

looking at Fort- the Army Buddies, Fort

**00:30:35,752 --> 00:30:36,952 [Lisa Noelle Voldeng]**

Carson Army Buddies.

**00:30:38,072 --> 00:30:38,352 [Sascha Riley ]**

Yes.

**00:30:38,452 --> 00:30:40,591 [Lisa Noelle Voldeng]**

And while we're sort of sorting out in

**00:30:40,652 --> 00:30:41,212 [Lisa Noelle Voldeng]**

terms of

**00:30:42,912 --> 00:30:44,512 [Lisa Noelle Voldeng]**

all the other police reports you're

**00:30:44,552 --> 00:30:47,232 [Lisa Noelle Voldeng]**

mentioned in, would you be re- mentioned

**00:30:47,292 --> 00:30:48,942 [Lisa Noelle Voldeng]**

in the report where, um,

**00:30:49,772 --> 00:30:51,002 [Lisa Noelle Voldeng]**

the other girl's parents

**00:30:52,052 --> 00:30:52,852 [Lisa Noelle Voldeng]**

were charged?

**00:30:52,892 --> 00:30:53,222 [Sascha Riley ]**

Yes.

**00:30:54,192 --> 00:30:56,262 [Sascha Riley ]**

Yes, because they investigated my parents.

**00:30:56,352 --> 00:30:58,452 [Sascha Riley ]**

They, they knew it was me in the video.

**00:30:58,472 --> 00:31:01,652 [Sascha Riley ]**

They just didn't have enough, uh, evidence

**00:31:02,032 --> 00:31:04,972 [Sascha Riley ]**

to convict my parents. They got the

**00:31:05,012 --> 00:31:06,862 [Sascha Riley ]**

girl's parents, because even though they

**00:31:06,872 --> 00:31:09,912 [Sascha Riley ]**

were careful not to show the faces of us,

**00:31:09,992 --> 00:31:11,612 [Sascha Riley ]**

uh, the children in the f- in the film,

**00:31:12,532 --> 00:31:14,512 [Sascha Riley ]**

they had enough identifying features of

**00:31:14,552 --> 00:31:16,272 [Sascha Riley ]**

the house, of the basement where we

**00:31:18,052 --> 00:31:20,992 [Sascha Riley ]**

filmed the film, and it was, uh, it was

**00:31:21,032 --> 00:31:23,252 [Sascha Riley ]**

the, uh, the house of the parents

**00:31:24,052 --> 00:31:24,772 [Sascha Riley ]**

of the girl-

**00:31:24,812 --> 00:31:24,862 [Lisa Noelle Voldeng]**

Mm-hmm

**00:31:24,912 --> 00:31:27,172 [Sascha Riley ]**

... is where we filmed it.

**00:31:27,272 --> 00:31:29,942 [Lisa Noelle Voldeng]**

Okay. So those, yeah, so those are really

**00:31:29,992 --> 00:31:31,812 [Lisa Noelle Voldeng]**

important reports to get, but we've got to

**00:31:31,892 --> 00:31:33,372 [Lisa Noelle Voldeng]**

figure out how to get those safely,

**00:31:33,412 --> 00:31:35,581 [Lisa Noelle Voldeng]**

because those could certainly, if there's

**00:31:35,632 --> 00:31:37,992 [Lisa Noelle Voldeng]**

a bunch of those that you request, they

**00:31:38,032 --> 00:31:40,122 [Lisa Noelle Voldeng]**

could get flagged. I need to sort of

**00:31:40,172 --> 00:31:42,152 [Lisa Noelle Voldeng]**

simmer about... 'Cause there's all

**00:31:42,192 --> 00:31:43,502 [Lisa Noelle Voldeng]**

requests that we should be getting all of

**00:31:43,572 --> 00:31:47,081 [Lisa Noelle Voldeng]**

those in. I'll, um, but maybe starting

**00:31:47,112 --> 00:31:49,532 [Lisa Noelle Voldeng]**

with that report, I'll just see, figure

**00:31:49,572 --> 00:31:52,732 [Lisa Noelle Voldeng]**

out, yeah, let's kind of noodle a bit

**00:31:52,772 --> 00:31:55,232 [Lisa Noelle Voldeng]**

about getting those safely. 'Cause it's

**00:31:55,292 --> 00:31:57,552 [Lisa Noelle Voldeng]**

simple enough to request the reports, I

**00:31:57,592 --> 00:31:59,052 [Lisa Noelle Voldeng]**

just don't want you to request the

**00:31:59,112 --> 00:32:01,902 [Lisa Noelle Voldeng]**

reports. Although sometimes they can get

**00:32:01,932 --> 00:32:03,482 [Lisa Noelle Voldeng]**

them, you can get them faster in terms of

**00:32:03,512 --> 00:32:05,382 [Lisa Noelle Voldeng]**

victim reports, but I wanna just be really

**00:32:05,432 --> 00:32:05,842 [Lisa Noelle Voldeng]**

careful.

**00:32:05,992 --> 00:32:06,812 [Sascha Riley ]**

Right.

**00:32:06,912 --> 00:32:07,262 [Lisa Noelle Voldeng]**

Um-

**00:32:07,372 --> 00:32:08,132 [Sascha Riley ]**

Right.

**00:32:09,012 --> 00:32:10,522 [Lisa Noelle Voldeng]**

And then, um,

**00:32:11,632 --> 00:32:13,732 [Lisa Noelle Voldeng]**

super- I, I just feel, like, super careful

**00:32:13,772 --> 00:32:15,542 [Lisa Noelle Voldeng]**

with Alan as well, right? 'Cause I was

**00:32:15,572 --> 00:32:18,112 [Lisa Noelle Voldeng]**

looking at some of Alan's posts, and Alan

**00:32:18,152 --> 00:32:20,972 [Lisa Noelle Voldeng]**

seems to like to sort of post about, you

**00:32:21,012 --> 00:32:21,382 [Lisa Noelle Voldeng]**

know, when

**00:32:22,412 --> 00:32:24,532 [Lisa Noelle Voldeng]**

Alan's posted something that the MAGA

**00:32:24,612 --> 00:32:25,512 [Lisa Noelle Voldeng]**

Republicans have gotten

**00:32:26,172 --> 00:32:28,312 [Lisa Noelle Voldeng]**

angry at. So we wanna be careful that Alan

**00:32:28,392 --> 00:32:31,792 [Lisa Noelle Voldeng]**

wouldn't, um, not to speak- say a bunch

**00:32:31,831 --> 00:32:35,322 [Lisa Noelle Voldeng]**

of swear words, fuck shit up. [laughing]

**00:32:35,351 --> 00:32:38,132 [Sascha Riley ]**

[laughing] Yeah. I, I, I kind of got that

**00:32:38,212 --> 00:32:40,882 [Sascha Riley ]**

from the, the Ed Opperman report, so I-

**00:32:40,932 --> 00:32:42,792 [Lisa Noelle Voldeng]**

Yeah, and my concern, I'm telling you

**00:32:42,831 --> 00:32:44,672 [Lisa Noelle Voldeng]**

there, when you mentioned Amanda, I'm

**00:32:44,732 --> 00:32:47,472 [Lisa Noelle Voldeng]**

like, you know, there's just something odd

**00:32:47,592 --> 00:32:49,942 [Lisa Noelle Voldeng]**

about Ed Opperman. Either Ed Opperman is,

**00:32:49,972 --> 00:32:53,432 [Lisa Noelle Voldeng]**

like, sort of a sleazy ambulance chaser,

**00:32:53,452 --> 00:32:55,272 [Lisa Noelle Voldeng]**

or Ed Opperman's a sleazy ambulance

**00:32:55,372 --> 00:32:58,272 [Lisa Noelle Voldeng]**

chaser, and there's some connection in

**00:32:58,331 --> 00:33:01,212 [Lisa Noelle Voldeng]**

terms of, like, some different layers of

**00:33:01,252 --> 00:33:04,172 [Lisa Noelle Voldeng]**

the Trump/Epstein pedophile

**00:33:04,412 --> 00:33:07,692 [Lisa Noelle Voldeng]**

enterprise, that they were using pilots

**00:33:07,752 --> 00:33:10,092 [Lisa Noelle Voldeng]**

and PIs to recruit, traffic, and silence

**00:33:10,172 --> 00:33:11,892 [Lisa Noelle Voldeng]**

victims.

**00:33:11,932 --> 00:33:13,912 [Sascha Riley ]**

Yeah, I think that would be an, an

**00:33:14,032 --> 00:33:15,192 [Sascha Riley ]**

accurate deal.

**00:33:15,252 --> 00:33:20,851 [Lisa Noelle Voldeng]**

Yeah. So, okay, well, this stuff is

**00:33:20,892 --> 00:33:23,662 [Lisa Noelle Voldeng]**

all sort of helpful starting. Um,

**00:33:24,272 --> 00:33:26,872 [Lisa Noelle Voldeng]**

I really, again, like, super quiet until

**00:33:26,972 --> 00:33:29,961 [Lisa Noelle Voldeng]**

after Monday or Tuesday, for sure.

**00:33:29,972 --> 00:33:29,982 [Sascha Riley ]**

Gotcha.

**00:33:30,032 --> 00:33:31,961 [Lisa Noelle Voldeng]**

Super careful. I think it would really-

**00:33:31,961 --> 00:33:31,961 [Sascha Riley ]**

Okay

**00:33:31,992 --> 00:33:33,672 [Lisa Noelle Voldeng]**

... help us not to even l- look at the

**00:33:33,752 --> 00:33:35,342 [Lisa Noelle Voldeng]**

news much. I'm, I... 'Cause

**00:33:36,052 --> 00:33:38,552 [Lisa Noelle Voldeng]**

I don't, um,

**00:33:39,152 --> 00:33:40,982 [Lisa Noelle Voldeng]**

just, like, super selective looking at the

**00:33:41,052 --> 00:33:42,312 [Lisa Noelle Voldeng]**

news, I think, 'cause there's

**00:33:43,072 --> 00:33:45,572 [Lisa Noelle Voldeng]**

might be a lot of announcements suddenly,

**00:33:45,592 --> 00:33:46,212 [Lisa Noelle Voldeng]**

and we don't wanna

**00:33:46,872 --> 00:33:50,452 [Lisa Noelle Voldeng]**

behave distracted or blindsided.

**00:33:51,512 --> 00:33:53,932 [Sascha Riley ]**

[coughs] Well, I have been being very

**00:33:54,032 --> 00:33:56,392 [Sascha Riley ]**

careful, so I will continue to do that,

**00:33:56,432 --> 00:33:58,902 [Sascha Riley ]**

and I will get you those papers here in

**00:33:58,912 --> 00:33:59,612 [Sascha Riley ]**

just a minute.

**00:34:00,252 --> 00:34:02,472 [Lisa Noelle Voldeng]**

Awesome. Now, I just wanted to... There

**00:34:02,492 --> 00:34:05,331 [Lisa Noelle Voldeng]**

was something else I was gonna ask you. I

**00:34:05,372 --> 00:34:09,431 [Lisa Noelle Voldeng]**

guess we covered most of it right now. Um,

**00:34:11,272 --> 00:34:12,971 [Lisa Noelle Voldeng]**

oh, yeah, just, like, in terms of getting

**00:34:13,132 --> 00:34:16,252 [Lisa Noelle Voldeng]**

a copy, get information from Alan in terms

**00:34:16,331 --> 00:34:19,951 [Lisa Noelle Voldeng]**

of either a link to where in the public

**00:34:19,992 --> 00:34:22,451 [Lisa Noelle Voldeng]**

archives the mention is of William Kyle

**00:34:22,992 --> 00:34:26,652 [Lisa Noelle Voldeng]**

or, you know, Alan to send you copies.

**00:34:26,732 --> 00:34:28,891 [Lisa Noelle Voldeng]**

Screen- even screenshots is a start, and a

**00:34:28,951 --> 00:34:30,112 [Lisa Noelle Voldeng]**

link.

**00:34:30,512 --> 00:34:32,911 [Sascha Riley ]**

Okay. I haven't been back in contact with

**00:34:32,931 --> 00:34:35,012 [Sascha Riley ]**

him since, since I gave you that

**00:34:35,712 --> 00:34:36,871 [Sascha Riley ]**

information, but-

**00:34:36,931 --> 00:34:38,371 [Lisa Noelle Voldeng]**

Okay.

**00:34:39,632 --> 00:34:42,891 [Sascha Riley ]**

I'm getting the paperwork right now and

**00:34:42,992 --> 00:34:44,831 [Sascha Riley ]**

seeing what I got here.

**00:34:46,351 --> 00:34:46,911 [Sascha Riley ]**

All right.

**00:34:47,452 --> 00:34:49,411 [Lisa Noelle Voldeng]**

Has Al- Alan posted recently, have you

**00:34:49,452 --> 00:34:50,132 [Lisa Noelle Voldeng]**

noticed?

**00:34:50,772 --> 00:34:53,312 [Sascha Riley ]**

I, I have not. I've only had the, the

**00:34:53,431 --> 00:34:55,411 [Sascha Riley ]**

interactions that I've discussed with you,

**00:34:55,471 --> 00:34:56,032 [Sascha Riley ]**

with him.

**00:34:56,072 --> 00:34:56,391 [Lisa Noelle Voldeng]**

Okay.

**00:34:56,452 --> 00:34:56,652 [Sascha Riley ]**

So

**00:34:58,132 --> 00:35:00,492 [Sascha Riley ]**

outside of that...

**00:35:00,872 --> 00:35:02,822 [Lisa Noelle Voldeng]**

Yeah, it looks like last time was 20 hours

**00:35:02,872 --> 00:35:06,812 [Lisa Noelle Voldeng]**

ago. Maybe.

**00:35:08,572 --> 00:35:10,822 [Sascha Riley ]**

Oh, here, I already got it. Here's my

**00:35:10,852 --> 00:35:12,392 [Sascha Riley ]**

DD-214.

**00:35:12,432 --> 00:35:12,852 [Lisa Noelle Voldeng]**

Awesome.

**00:35:12,872 --> 00:35:15,172 [Sascha Riley ]**

Okay. Yep, right on top.

**00:35:15,212 --> 00:35:15,892 [Lisa Noelle Voldeng]**

Woo-hoo!

**00:35:15,912 --> 00:35:16,392 [Sascha Riley ]**

Uh,

**00:35:17,532 --> 00:35:20,092 [Sascha Riley ]**

oh, and it's already redacted.

**00:35:20,132 --> 00:35:21,312 [Lisa Noelle Voldeng]**

Hmm.

**00:35:21,332 --> 00:35:21,872 [Sascha Riley ]**

Perfect.

**00:35:22,672 --> 00:35:24,372 [Sascha Riley ]**

It's ready to send. All right, I'll send

**00:35:24,412 --> 00:35:26,392 [Sascha Riley ]**

those to you in just a minute.

**00:35:27,332 --> 00:35:30,752 [Lisa Noelle Voldeng]**

Awesome.

**00:35:34,312 --> 00:35:37,252 [Lisa Noelle Voldeng]**

Oh, just a second.

**00:35:37,312 --> 00:35:38,332 [Sascha Riley ]**

Okay.

**00:35:38,372 --> 00:35:39,612 [Lisa Noelle Voldeng]**

Yeah, I was just checking there. Okay,

**00:35:39,652 --> 00:35:42,192 [Lisa Noelle Voldeng]**

yeah. No, we're good. Um, yeah, get those

**00:35:42,252 --> 00:35:43,912 [Lisa Noelle Voldeng]**

off to me, and, um,

**00:35:45,952 --> 00:35:49,212 [Lisa Noelle Voldeng]**

I feel like, um... Yeah, I'm, I'm gonna

**00:35:50,032 --> 00:35:52,072 [Lisa Noelle Voldeng]**

snorkel a bit. [chuckles]

**00:35:52,132 --> 00:35:53,612 [Sascha Riley ]**

Okay, sounds good.

**00:35:53,632 --> 00:35:55,192 [Lisa Noelle Voldeng]**

I hit some golf balls yesterday.

**00:35:55,202 --> 00:35:55,242 [Sascha Riley ]**

Well, I'll check in with you.

**00:35:55,242 --> 00:35:56,812 [Lisa Noelle Voldeng]**

I'm gonna snorkel a bit and stuff, and

**00:35:56,852 --> 00:35:57,052 [Lisa Noelle Voldeng]**

then

**00:35:58,152 --> 00:36:00,072 [Lisa Noelle Voldeng]**

I'm just sort of pacing in terms of

**00:36:00,112 --> 00:36:01,832 [Lisa Noelle Voldeng]**

getting, going through those audio, but

**00:36:01,872 --> 00:36:03,632 [Lisa Noelle Voldeng]**

it's, at least it's all underway now and

**00:36:03,652 --> 00:36:05,402 [Lisa Noelle Voldeng]**

so on, and I'll get some other copies to

**00:36:05,471 --> 00:36:07,772 [Lisa Noelle Voldeng]**

some other folks today.

**00:36:07,892 --> 00:36:08,912 [Sascha Riley ]**

All righty, sounds good.

**00:36:08,952 --> 00:36:09,042 [Lisa Noelle Voldeng]**

And, uh-

**00:36:09,042 --> 00:36:11,221 [Sascha Riley ]**

And I'll get you these, these, uh...

**00:36:11,252 --> 00:36:13,072 [Sascha Riley ]**

You'll get them in the next five minutes,

**00:36:13,112 --> 00:36:13,762 [Sascha Riley ]**

probably.

**00:36:13,832 --> 00:36:15,212 [Lisa Noelle Voldeng]**

Sounds good.

**00:36:15,312 --> 00:36:16,692 [Sascha Riley ]**

All right, talk to you in a little bit.

**00:36:16,752 --> 00:36:17,562 [Lisa Noelle Voldeng]**

Talk to you soon. Bye-bye.

**00:36:17,562 --> 00:36:22,872 [Sascha Riley ]**

Bye-bye.
